God is community, family, parish, friendship, hospitality.

Congratulations to all graduates! Let the caps fly and the celebrations begin! In between all the hugs, the moving of tassels, the receiving of diplomas, and snapping of photos and videos, we record all these special moments in our minds and hearts forever. This Friday, we celebrated graduation at Holy Family Catholic Academy. We are so proud of all our graduates as they reach this significant milestone. Fr. Terry, Fr. Rich, Principal Kate O'Brien, Assistant Principle Laura Clark, all our teachers and supporting staff are so proud of your achievements.

Congratulations to all other graduates from their respective grammar schools, high schools, and colleges. All our graduates should feel proud of themselves as well. We are blessed to celebrate all our graduates and their achievements, perseverance and successes. It's one of the most important times to reflect on and give thanks for all the young people in our lives and feel good as parents and mentors. Graduation is a coming of age, a right-of-passage, an official way to recognize this important step into their next stage of life. Congratulations All Graduates!

As we honor our graduates over the next several weeks, this weekend we celebrate the Feast of the Holy Trinity. Today's scripture readings remind us that God is love and God is relationship. **God is therefore community, family, parish, friendship, hospitality.** In proclaiming a Trinity of relationships, we proclaim that the reality of our everyday dealings with each other is not a "secular" event, but the stuff of church, and the "stuff" of God. Ron Rolheiser sums this up well where he writes: "...God is not, first of all, a formula, a dogma, a creedal statement, or a metaphysics that demands our assent. God is a flow of living relationships, a trinity, a family of life that we can enter, taste, breathe within, and let flow through us. God is not an abstraction. But the one in whom everything and everyone has their being." We are all held in life within a trinity of love. It is in the everyday reality of our dealings with each other that the Trinity lives: at our dinner tables, or even over a bottle of good wine, in our arguments, disagreements, and frustrations with each other,

and in the simple giving and receiving of hospitality, warmth, openness and tenderness. None of these is ever "secular," no matter how earthly they may seem. These dealings with each other are the "stuff" of God. God is relationship! The Trinity is alive and well in all of us until the end of time.

Since we were all created by God, the Feast of the Holy Trinity is also a renewal of our mission as a parish community to live in communion with God and one another. The call to live both with and for others means being a people who welcome one another and bearing witness to the beauty of the Gospel, but also a commission to live in mutual love towards one another, sharing joys and sorrows, learning to ask for and grant forgiveness, and valuing our different charisms. Pope Francis told the pilgrims in St. Peter's Square, "our being created in the image and likeness of God-communion calls us to understand ourselves as beings-in-relation, and to live interpersonal relationships in solidarity and reciprocal love."

The Gospel reading from John is taken from a portion of Jesus' discourse shortly before his Passion, in which Christ outlines the relationship between the Father, the Son, and the Holy Spirit. Knowing that he must fulfill the Father's plan through his own death and resurrection, Jesus assures the disciples that he will not abandon them, "because his mission will be continued by the Holy Spirit." May God bless and strengthen our relationships with one another on this Feast of the Holy Trinity.

"Happy Anniversary!" Speak those words to our own Fr. Rich Jakubik. He just celebrated the twenty-fifth anniversary of his Ordination to the priesthood! He has baptized, preached, performed marriages and buried the dead with love, care, and holiness. He did not want a celebration or personal recognition! (So be sure you keep quiet by whispering "Happy Anniversary" in his ear.) And say a prayer for him as he continues his ministry to all of us at Holy Family!

(Fr. Rich Jakubik, Holy Family's Associate Pastor, is writing this column while Fr. Terry is away.)

On June 3rd, we celebrate the Feast of the Body and Blood of Christ, Corpus Christi. There will be a procession and exposition of the Blessed Sacrament after the 11am Mass.

You are invited to spend time every week in silence with Jesus in the Blessed Sacrament at the Adoration Chapel.

Solemnity of the Most Holy Body & Blood of Christ / Corpus Christi

1. In our first reading, Moses asks the people to agree to a covenant with God, then he sets up a ritual to confirm it. What covenant is he asking the people to agree to? What are the similarities as well as the differences between that covenant and the one we celebrate today?
2. Today we sprinkle with water instead of blood. What does the sprinkling of water represent that is different than the time of Moses?
3. We are blessed with the inheritance we have received as a result of Jesus' death and resurrection. What can we do to prepare for our eternal inheritance while still here on earth?
4. How can we keep the significance of the Eucharist alive when it could so easily become routine? Does your experience vary from week to week, or is it essentially the same?
5. Are there things you would recommend to enhance the Eucharistic experience at Holy Family?

VIRTUS - Protecting God's Children Offered at Holy Family on June 11, 2018

**Class starts promptly at 6:30pm
 & concludes at approximately 9:30pm.**

Since 2004 all adult volunteers who work with children have attended the Virtus - Protecting God's Children training. The Protecting God's Children program is designed to raise awareness about the nature of child sexual abuse, to educate on how to recognize the warning signs, and to train about what to do when we suspect a child is being victimized.

It is also important for all of us to join together to build a society where children are no longer at risk of being sexually abused, where those who have been victimized can find the resources and courage to heal, and where all people live together in loving, supportive relationships.

To register for one of these sessions or a session at another location, visit www.virtusonline.org and click on the First-Time Registrant button on the left side of the homepage. Let's join together and help to keep all of God's children safe!

New Prayer List Procedure

Our Liturgy team has revised our Prayer List procedures.

If you call to request prayers for a sick family member, their name will appear on the screens during Masses the upcoming weekend and for that weekend only. This is same procedure for the deceased.

You may call each week for three consecutive weeks (names will appear on the screens during the following weekend Masses). After three weeks, the name will be moved to our Parish Book of Continual Prayer.

Names will continue to be printed in the bulletin (three weeks for the sick, two weeks for deceased).

Please remember that you are always invited to say your loved ones' names, both sick and deceased, aloud during the prayers of the faithful at weekend and daily Masses.

If you have any questions, please contact the Pastoral Care office at 847-907-3425.

FUNERAL LUNCHEON MINISTRY

***Do you enjoy offering compassion through hospitality?
Why not consider becoming a part of the Funeral Luncheon Ministry?***

The Funeral Luncheon Ministry is made up of men and women who support Holy Family's welcoming spirit by helping to serve a luncheon after a Funeral Mass or Memorial Service. They help prepare the room for guests (no putting up or taking down of tables), and offer a smile as they serve the families who have just attended a funeral at Holy Family. They set up the buffet service and organize the beverage and food donations.

If you do not wish to serve at the luncheon, you may volunteer by donating a side dish or dessert.

We invite you to call the Pastoral Care office at 947-907-3425 or e-mail mferlita@holyfamilyparish.org for more information.

Ministry of Praise

*"Therefore I tell you, whatever you ask in prayer, believe that you have received it and it will be yours."
(Matthew 11:24)*

This ministry prays for the needs of fellow parishioners, the community and the world. For those whose work load, caring for others or long-term illness limits their full participation in parish activities, this an an excellent way to remain active in the life of Holy Family. Those who live in care facilities and are no longer physically able to worship with us can be with us in spirit through their prayers.

The Adult Faith Community...

supports the mission of lifelong learning by providing educational, spiritual, and formational activities for the parish and the community.

In order to give you a view of what our **RCIA** program offers, we will be posting feedback from those who have participated fully in it in upcoming Bulletins. If you are interested in learning more about completing Sacraments or becoming Catholic (or you know someone else who might be interested) through Holy Family, please contact Bonnie Rooney at bonroon@aol.com or 847-977-4715 for more information.

Here's what our Neophytes had to say:

Why did you join RCIA at Holy Family?

"I started the journey as someone wanting to get married in the Church with full participation during our Mass. After going through the process, I have found much stronger faith, and understanding of how God has played such an important role in every aspect of my life."

"I initially joined RCIA to unify my faith with my wife and daughter, who were already Catholic. However, as the journey progressed, I felt myself reaching a new level of personal faith with Christ, who I saw in every person I encountered on the journey. I met and amazing group of people who made me feel so accepted and loved, just as Christ accepts and loves us for who we are."

"I came to Holy Family because a friend suggested I visit. My husband is Catholic, and this church really feels like home to both of us. After a year of attending on Sundays, I decided to commit to becoming Catholic so I could fully participate in Communion and so that my children, who are watching us as parents, will see us united as a family in faith. As a result of this amazing experience, I feel so fully a part of the Church. I'm clear on what we are doing and what we stand for. I feel like I really belong. The RCIA experience was a springboard to launch me on a deeper and daily faith journey, which had been lacking in my life before."

"It has truly been a memorable and reflective experience. I decided to join RCIA after many years of feeling this undeniable missing piece to my life puzzle. Growing in my faith has always been something that I wanted to pursue, regardless of what else was happening in my life. I was baptized Catholic as an infant and have always felt this slight void in my life not having completed my communion or confirmation, hence making that decision as an adult to do so. I did a little bit of research and found Holy Family Catholic Church. I was drawn to its progressive and welcoming nature and after just one informational meeting where I had the pleasure of meeting the Adult Faith team, I knew I had made the right decision. This experience has been one of the most authentic, emotional, and reflective personal journeys that I have ever been on. From that initial informational meeting all the way to the Easter Vigil, the amount of love and support I have received from the team and the other candidates is indescribable. Being 'in the moment' is truly something I aspired to do during each Mass, breakout meeting, the retreat, and all the events leading up to the Easter Vigil. I want to thank, from the bottom of my heart, the Team, Father Terry, and the entire Holy Family community for welcoming us with open arms and an open heart. We are forever grateful."

*"I initially joined RCIA to get a *quick* certification to become a legitimate godparent. I never expected to be deeply involved in the process; I certainly never expected a genuine transformation to occur. In fact, at first I was frustrated that it was going to take months! However, I am beyond grateful that it took so long. The time it took ended up changing my life, and I'm so grateful."*

Why not consider home-schooling for Religious Education @ Holy Family

Why home school for religious education?

Teaching religious education at home is a wonderful option for many families. Home schooling, with the parent as catechist, has unique benefits and is still seen as a partnership between parents and the parish.

Benefits of home schooling for religious education

- To have more quality family time
- To give children with special needs one-on-one attention
- To eliminate scheduling conflicts
- To provide stability in the midst of frequent moves

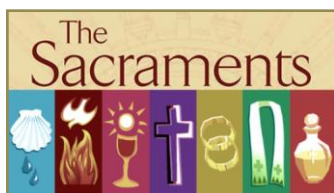

Does the Catholic Church allow home schooling for Religious Education?

Absolutely. The Second Vatican Council document on Christian education, *Gravissimum Educationis*, states that parents, society, and the Church all have a duty regarding the education of children, but that the primary and principal duty belongs to parents.

What is the role of the Parish community in home schooling for religious education and what is expected of parents who choose to home school their children for religious education?

The **General Directory for Catechesis (GCD)** reminds us that education in the faith is carried out in different ways in different places. At Holy Family we realize that much if not most education in faith takes place outside a classroom setting: in the family, in the neighborhood, in the larger parish community. It is in these settings that children see and experience the faith lived.

- Liturgy in the parish community is where the proclamation of the Gospel begins and where we, regardless of age, are invited to conversion and to follow Christ.
 1. Families who home-school for religious education will be asked to make a commitment to participate in the Sunday assembly on a regular basis.
- Genuine religious education **informs, forms, and transforms!** The Church calls all religious educators, including parents to foster both knowledge and understanding of Catholic teaching and practice, and develop an appreciation for Sacred Scripture and tradition in young people.
 2. Families who home-school for religious education will be asked use catechetical materials provided by the parish, submit completed work online and meet with one of the Faith or Teen Faith staff at regular intervals.
 - Bringing children to the parish programs for sacramental preparation further enriches their lives by bringing them into contact with other adults and with peers on the same faith journey.

3. Families who home school their children for religious education are asked to participate in the parish-based sacramental preparation programs. In the case of Confirmation, home schooled students will be asked to take part in community service opportunities, attend the FLAME 1 & 2 Retreats, and attend one of the PIZZA WITH THE PASTOR sessions.

The cost of the home-schooling option for Religious Education at Holy Family

- **Tuition:** \$200.00 per family per year (a \$100.00 non-refundable fee is due at the time of registration)
- **Instructional Materials:** \$20.00 per child per year

HOLY FAMILY
CATHOLIC ACADEMY
THINKERS. LEADERS. GROUNDED IN FAITH.

Holy Family Catholic Academy... offers an innovative curriculum that focuses on cultivating critical thinking, problem solving and teamwork.

May Crowning

One of our treasured traditions is to honor Mary and recognize our First Communicants and soon to be graduating 8th graders. This is the first all school mass where our second grade students received the Eucharist together. Our choir sings "Immaculate Mary" and other traditional Marian hymns as our students carry in flowers.

Our 2nd graders acted as honor guard and 8th grade student, Rachel Salani crowned Mary. This tradition reminds us of the important role the Blessed Virgin plays in our faith life and the importance of our faith community as we celebrate important events together.

New family applications available now!

Visit our website at hfcacademy.org

Our Parish School prepares students to be:

faith."***

Calling all OWLS!! (Older Wiser Lively Spirits)

Today's demographic experts say that 55 is the new 40 – and maybe even the new 35. And we agree! It's also well known that staying mentally and physically active, socializing with others regularly, and having a sense of purpose contribute to a more energized, optimistic and youthful persona. Translation:

a longer, happier, healthier life! That's why we're launching our new OWLS Ministry, specially created for youthful spirits aged 55 and over. Whatever your status (married, single, widowed, divorced or "it's complicated"), whether you're a night owl, a snowy owl or even a screech owl, you'll find kindred spirits: people looking to share friendship, common interests, social activities, information sessions, inspirational talks, fellowship, and outreach to others.

Join us June 26th for a Get to Know You Picnic in the Courtyard

Come join us for a **Get to Know You Picnic in the Courtyard, Tuesday, June 26 from 4-6pm.**

A picnic box meal will be offered for \$8.00. Orders must be submitted by June 19.

See the narthex shelves or website for order forms and more details.

Check the bulletin for updates or contact Donna at landod49@comcast.net (email preferred) or 847-934-4121 or Eileen at dwtstj@aol.com for more information.

Catholic Charities New Hope Apartments A Transitional Housing Program for Homeless Families March, 2018 Update

Family #30

Our family consists of a single 23 year old African American mom and her two son's ages 4 and 2. She became homeless due low income status. She reported that she had a history of being homeless during her high school years.

Our mom has made great progress with her goals. New Hope is so happy that she has begun working on her GED with a program that's designed for people with learning disabilities. She found this resource on her own called the Living Free Program. The program needs to be completed in 90 days and our mom is very excited because she wants to pursue a license in cosmetology. She is still saving! With the help of her tax refund, she has plans to reinstate her license and buy an affordable car. Her children are stable and happy!

Goals:

- Save up at least 3 month's rent/saving IRS tax refund
- Obtain her GED
- Apply for low income housing
- Obtain her driver's license by paying off outstanding debts

New Hope would like to thank the Peace and Justice Cluster Parishes for all the support that they have extended to these families. May God continue to bless you for all you do for New Hope.
