Fr. Terry Keehan

As we mark and celebrate some core values of our nation this coming week, we are also challenged to reflect on issues that continue to shape those values and issues that arise along the way. One that is capturing so much of our national attention recently involves the separation of families at our borders. Cardinal Cupich has made a statement about this issue and I believe it bears reprinting. Perhaps you are already familiar with it but he released the following statement recently:

“There is nothing remotely Christian, American, or morally defensible about a policy that takes children away from their parents and warehouses them in cages. This is being carried out in our name and the shame is on us all.

I welcome Pope Francis’ recent comment, “I am on the side of the bishops’ conference,” affirming his support of the U.S. Conference of Catholic Bishops’ statement calling this practice “contrary to our Catholic values” and “immoral.” This policy must be rescinded immediately.

We are told that family separations are required by the law or court decisions. That is not true. The administration could, if it so desired, end these wanton acts of cruelty, today. It could right the wrongs committed by these cruel policies. Every day it doesn’t deepens the stain on America’s soul and reputation.

We are told this policy is supported by Scripture. That too is false. There is no biblical justification for building internment camps for children torn away from their parents.

Scripture tells us that God requires no one to follow unjust laws. It also admonishes us against bearing false witness. As St. Paul wrote, the fulfillment of God’s law is love.

We have heard the wails of toddlers crying “Mama!” and “Papa!”—children too young to understand what it means to be used as bargaining chips in a political game whose stakes are their very lives. Their cries pierce the conscience. They remind us that every one of them, along with their parents, are made in God’s image, and therefore have a dignity no amount of demonizing can obscure.

This is the dignity we Catholics defend when we work to protect the unborn. It is the dignity Jesus Christ called us to uphold by feeding the hungry, clothing the naked, and, yes, welcoming the stranger. It is the dignity that inheres regardless of one’s nation of origin. It is not forfeited once one crosses another nation’s border, whether to seek refuge from domestic or gang violence or persecution, or to work for a better life for one’s family.

Pediatricians and psychologists universally agree that the trauma endured by these children will have

lasting effects on their still-forming minds. It is a form of torture and child abuse, a violation of human rights. It is devoid of decency, bereft of common sense.

Every so often, history presents circumstances that test the soul of a nation. We are living in one of those moments. Whatever this nation of immigrants does for the least of these brothers and sisters of ours will define us for decades to come, in the world’s eyes, and in God’s.”

Regardless of our political leanings, we as Catholic Christians must always seek the wisdom of the Gospel when ferreting out details of significant issues. One connection with this week’s Gospel is our need for healing. Jairus seeks healing for his daughter. SO many families, regardless of their immigration status, seek healing. The woman with the hemorrhage has been ill for many years and has exhausted her efforts to heal. We as a nation have wrestled with keeping families together for years. She seeks the healing only Jesus can give. In both instances, Jesus is a supreme example of compassion, and as our own Archdiocesan Catholic Charities states in a poignant video, “*Compassion strengthens us all.*” When we act with true compassion, unity and healing starts and can advance. Our faith connection is crucial to the ongoing discussions surrounding the separation of families. Let us pray for God’s wisdom to guide us as a nation.

This past Tuesday was the kick-off event for a new ministry called OWLS. This is an exciting venture for people over 55 and gathers them in service, social and spiritual activities. The leadership of the OWLS is composed of six members of the original staff that Med Laz organized as Holy Family was just beginning. I find that to be a great testament to the long term dedication of these and so many others to our faith community.

New Ministry Positions

There have been a few changes and additions to our staff recently. Please welcome **Grant Guthrie** to our Teen Faith staff. Grant is assuming the position that **Melanie Tomal** was responsible for. Melanie is going on to further her teaching career. Thanks Melanie, and welcome Grant. **Maureen DeRosa** is moving on from our Operations Ministering Community and **Bernie Schaeffer** will assume her responsibilities, in addition to his development position. We thank Maureen for her input and dedication these past two years. **Jeannie Parry** joins our Adult Faith Ministering Community to assist both Mary Whiteside and Marsha Adamczyk. Welcome Jeannie. In addition, **Arielle Joaquin** joins the Teen and Family Faith Ministering Community as a summer intern. Welcome Arielle.

Watch our weekly LBSCC reflection @

<https://www.youtube.com/user/HFInverness/videos>. Click on reflections for Sunday Readings 7-8-18 and listen to Fr. Bill Zavaski reflect on the readings.

14th Sunday in Ordinary Time

1. As modern-day descendants, when have we been impudent and stubborn, refusing to hear God?
2. Is there an Old Testament prophet, including Ezekial, whose words have strengthened your faith?
3. Paul says: "whenever I am weak, then I am strong." When have you found strength out of weakness?
4. The Gospel mentions the brothers and sisters of Jesus? Who are these people that Mark is talking about?
5. In the Gospel, Mark also tells us that the people in the synagogue took offense at Jesus and his teachings, and "Jesus was amazed at their unbelief." Why do you think his hometown dismissed and rejected him?

The Two Feet of Love *In Action* Charity and Social Justice

Sue Geegan
Director
847-907-3443
sgeegan
@holyfamilyparish.org

The Human Concerns Community... offers assistance with life's basic needs, spiritual and emotional support as well as additional resources with partners in our community while promoting mercy and justice by putting our faith into action.

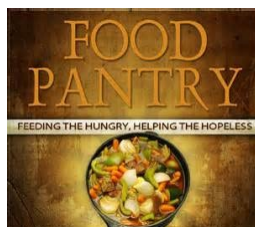

On the Journey of Love *In Action*, Catholic social teaching calls for engaging both feet, Charity and Social Justice, to respond to the needs of people in our society. A balanced, holistic approach ensures that the struggles of everyday life are lightened for those on the margins, but also advocates for institutional changes needed to empower people towards self-sufficiency. Tearing down barriers and building innovative structures requires time and effort. Using both feet to challenge the status quo prevents fatigue and a lopsided effort.

The Americans with Disabilities Act (ADA) demonstrates how walking on the Two Feet of Love *In Action* generates change. Prior to the passage of ADA, someone with disabilities depended on the charity of others. For example, someone opened doors or pressed elevator buttons for those in wheelchairs. However, once the ADA became law mandating accessible access for these Americans, the structures put in place enabled them to be self-sufficient.

As poverty continues to grow in the United States, addressing the immediate needs of the poor must be combined with challenging the barriers preventing them from being self-sufficient. The impact of racism overwhelmingly affects those who live in poverty. Discrimination against people of color is not just about an individual's own views. Racism includes historic institutional policies that make it part of the system. This gives power to exclude a group of people and gives another group the advantage. Today, many of these policies and laws no longer are legal, but their lingering effects continue the cycle of poverty for people of color. This imbalance affects all institutions- housing, education, health care, employment and the judicial system. These imbalances make climbing out of poverty that much harder.

The fight for social justice requires time and resolve. It works best when fueled by a group of people motivated by faith who believe that everyone is a child of God and made in His image. Working together as a community fosters creativity to make changes in systems. Overcoming these barriers presents challenges for not only those on the margins, but for those of us trying to promote social justice and walk in the Path of Love towards the Kingdom of God.

FOOD PANTRY REPORT - May, 2018

Six families, including 14 individuals, were served 520 meals.

Thanks to our parishioners and St. Theresa parishioners who continuously bring food to the shopping cart each week. Approximately 60 bags of food were collected! We are truly blessed to have such generous and thoughtful donors. All of our food pantry clients are so appreciative of the foods and

other products you donate for their use. Thanks, also, to our pantry stewards who serve our clients with compassion and dignity. Please be mindful that we provide our clients with food products that are still within its freshness date and not expired. Check the date before making a donation, especially if it was not a recent store purchase. See the food pantry door for items in short supply.

Human Concerns

Thank You, Holy Family, for Your Support

As one of the faith communities supporting the work of our Spring of Life Partnership of Habitat for Humanity, we want to thank you for all you do to make affordable housing a reality. Our Partnership team has built or rehabbed 15 homes. The most recently

completed home in Des Plaines was a new-build.

Did You Know No One Gets a Free Home?

You may not know that all the homes we build or rehab are *purchased* by families who not only meet financial requirements, but who also work alongside our Spring of Life volunteers on the construction team. Each adult homeowner puts in at least 250 hours on their home.

Spring of Life Partnership Role

Our partnership provides all the labor and up to \$35,000 on each home we build. We raise this money through a variety of sources, from individual donations to faith community contributions.

Building in Faith, Brick by Brick Fundraiser

Our annual fundraiser will be held in the Fall. Watch for more details later this summer.

We Need Help on Our Event Planning Team

If you want to help or just want to learn more, please call, text or email Larry Buettner at Larrybuettner@comcast.net. Or go to www.springoflifehabitat.org to learn more about our Habitat projects and volunteer opportunities.

On behalf of the families you have helped, God Bless you and thank you for your past support.

Thank you!

ST. VINCENT DEPAUL SPRING CLOTHING DRIVE THANK YOU!!

On behalf of our St. Vincent de Paul Center Outreach clients, please accept our sincere gratitude for the generous and thoughtful clothing donated at the beginning of May. I wanted to let you know how incredibly helpful and meaningful this clothing donation is. We were able to completely restock our clothing closet, and we have enough extras stored to take us through until October. Our main programming at St. Vincent's Outreach is case management, focused on housing and employment. In addition to daily clothing needs, this donation allows our case manager to help those who are going on housing or job interviews dress appropriately, thus increasing their chances of a positive outcome. Now that we are restocked, we are also able to provide a week or more worth of clothing to our newly employed clients.

In Case of Emergency

We value your safety. Please take a moment to review this card.

IN CASE OF AN EVACUATION

Look at the emergency evacuation map to the right and locate the exits. These are the suggested exits per the Palatine Rural Fire District. Be aware of all the exits in the church, not just the one closest to you.

IN CASE OF SEVERE WEATHER

Please stay calm and follow the ushers to our areas of safety. Able-bodied persons will be directed to the basement area around the school cafeteria. Persons requiring assistance will be guided to the narthex basement.

IF YOU NEED HELP

Medical emergencies happen during Mass. If you need help, please notify an usher.

*In all emergencies, please do what you can to **stay calm**.
Notify an usher if you are capable and willing to assist others.*

REUNIFICATION AREAS

In case of a building evacuation, Family Faith and HFCA children & parents will be reunited outside in the parking lot adjacent to Palatine Rd.

In case of severe weather, Family Faith classes will dismiss from the basement cafeteria after the danger has passed.

IF YOU WITNESS A PERSON IN DISTRESS

Please keep the person comfortable in the pew and ask others to vacate the adjacent rows to allow access for First Responders (Paramedics). Stay with the person until the First Responders arrive.

Please leave this card in the church pew. Thank you!
