Fr. Terry Keehan

Perhaps you have heard me speak about the physical and spiritual aspects of the number three. I believe that it gives an important perspective into the one world that we all live in, that is both physical and spiritual. The 1-2-3 of our one world that is physical can be described as: 1. The Beginning, 2. The Middle, and 3. The End. That probably sums up a classic way of looking at a lot of things, such as a sports season, a school year, a play or even a song. Rock N' Roll songs frequently have what is called the Middle 8 referring to a tempo or melodic change and/or a bridge following the second chorus leading to the final chorus. Notice the important threes in life: The Trinity; three elements of the Paschal Mystery (Suffering, Death and Resurrection); a hat trick in hockey (three goals by one player); the Triple Crown (three wins in horse racing); three strikes in baseball statistics; three point play or shot etc. (Sorry that I'm heavy on sports analogies!)

The 1-2-3 in our world that is spiritual can be described as: 1. The Beginning (Creation); 2. The Next Step (Covenant); and 3. The Eternal (Christ). Notice the assignment of three words beginning with C to help you remember the spiritual depth of the one world that we live in and share.

God began everything in CREATION. God then reached out a hand and made a COVENANT with all of humanity as the Jewish people journeyed to a better way of life in the desert. Jesus CHRIST fulfills that covenant in an eternal way. In case you forget, listen intently at Mass when the priest says the words of Jesus at the Last Supper, "Take this all of you and drink from it, this is the cup of my blood, the blood of the NEW and ETERNAL Covenant.

The spiritual covenant that God fulfills with us in Jesus Christ is both NEW and ETERNAL at the same time. This 1-2-3 spiritual progression is not limited to a chronology of events. It can expand our spiritual and religious imagination to reflect and pray differently.

This week's Gospel gives us an example and in it there are three crucial issues that build on one another. The beginning is the question Jesus puts to the disciples, and just as importantly to us – "Who do people say that I am?" What does our world say about Jesus Christ these days? How is he identified? Who is he to today's world?

The next step is the question for all of us, "Who

do you say that I am?" This next step is much more personal. How do we describe Jesus to others? Who is Jesus to you? Peter responds, "You are the Christ." There is little acknowledgement about the importance of Peter's insight/answer according to Mark as there is in the other Gospels. Jesus goes on to explain that He must suffer and die and Peter rebukes him. In other words, he challenges the idea. He speaks as a protector of his friend. He doesn't want to lose Jesus to death.

The third phase, or eternal or lasting part of the spiritual progression, in this passage is to think like God. Jesus connects Peter's rebuke with pure evil and returns the admonition with, "Get behind me Satan." So what does it mean to think like God? In this case it is a reminder that Jesus Christ was sent by God to suffer, die and rise from the dead. That is what we call the Paschal Mystery that is, in fact, a difficult pattern to accept because it involves two challenging things: suffering and death. Thinking like God invites us to look at those two challenges (suffering and death) through the lens of faith that says sometimes it is ONLY through suffering and dying that we can get to new life. It is a figurative pattern that we experience on a regular basis that encourages us to be led to the new life of the Resurrection. Peter and all of us sometimes find it extremely difficult to hold out hope for the new life when we are in the midst of suffering and death.

Using the third spiritual component, the eternal, we are invited to reflect on what lasts in life. We are challenged to see that life goes on even beyond our suffering and death, or that of our larger family, community or the world.

Try prayerfully reflecting on literally anything in your life through the 1-2-3 of the Beginning, the Next Step and the Eternal. Try looking at your professional career, your marriage, your family life, your educational endeavors, your health, your... through this lens and not simply the beginning, middle and end of them.

Please come to Fall Fest following the 11:00am Mass this Sunday for loads of Family Fun lasting until 4:00 pm. Next Saturday following 5:00pm Mass we host Hops on the Vine with lots of food, drink and entertainment. This year's theme is "The Road to Tuscany." Tickets are ONLY \$35. Information is in this bulletin and the Narthex. See you there!!

Readings 9-23-18 and listen to Fr. Charlie Bolser reflect on the readings.

25th Sunday in Ordinary Time

1. In Wisdom, the author portrays the wicked as one who does not tolerate the just person. They test and humiliate the just person, to see if God will rescue them. Have you or someone close to you ever been put to the test? How did faith play a role in how it was handled (and resolved)?
2. As noted in our second reading, how have you drawn from “the wisdom from above” to counter envy and selfish ambition?
3. The second reading also warns of the “conflicts and disputes among you ... cravings that are at war within you.” We are all guilty of these cravings. How have you learned to ward them off? What advice would you give to others, especially the young?
4. In our Gospel, the disciples once again fail to understand the prediction of Jesus’ passion, death and resurrection. Despite hearing these teachings from Jesus before, why do you think his disciples still did not get it? And since they “did not understand” why were they “afraid to ask him?”

Summer is a great time for us to address needed maintenance, here's some of the projects we've completed this summer.

- Windows in 2nd floor office wing
- Carpeting in several major hallways, conference rooms and 2nd floor offices
- Tuck pointing in the courtyard
- Replace rectory furnace & ductwork
- Deep cleaning of the gym kitchen
- Replacement of failed A/C unit
- Removal of 10 diseased trees in courtyard
- Major tree trimming and removal of dead trees on exterior of church and parking lot
- Crack fill of the main parking lots
- Rework of 10 sewer drains in main lot
- Sand and stain doors into the Narthex
- Installation of security camera system

The vast majority of funds necessary to complete these projects were as a result of the your contributions to Our Families, Our Faith, Our Future capital campaign, and to our building and courtyard funds.

We appreciate your patience and understanding as we've worked to improve sewer drainage in the main parking lot the past few weeks!

Divine Wisdom,

You led men and women to put in the Bible words that would bring us closer to you.

Help us to search the Holy Scriptures better each day. Enlighten us in these changing times to acquire the wisdom and grace to understand your call, reinterpreting it for our contemporary lives while remaining loyal to its eternal message.

Let your word, like good seed, take root in our hearts and bear fruit in our lives.

We ask this through Christ our Lord.

Amen

Tuesday, October 23, 2018 from 7:00-9:00 pm

We need to deeply trust and allow both our own dyings and our own certain resurrections, just as Jesus did! This is the full pattern of transformation. If we trust both, we are indestructible. That is how Jesus “saves” us from meaninglessness, cynicism, hatred, and violence—which is indeed death.

The Family & Teen Faith Community... offers faith formation and catechesis to preschool through elementary school aged children and high school teens and their families.

At Holy Family we do everything we can to lift up the power and beauty of the sacraments, inviting all to plunge deeply into the life-giving reality of the sacramental life. This understanding of sacrament is where all sacramental preparation begins.

As Catholics we believe that

God's Spirit and humankind work together through everything and anything of life. Through nature and creation, through culture and society,

through our minds and bodies, hearts and souls. God's Spirit works in the depth of our own being and in community with others, through the events and experiences that come our way, through what we are doing and what is "going on" around us.

This is called the '**principle of sacramentality**'. No other theological principle or focus is more characteristic of Catholicism or more central to its identity.

Yet for far too many **the 'big picture' has been reduced to a series of snapshots** of individual events, that once celebrated fade into the distance.

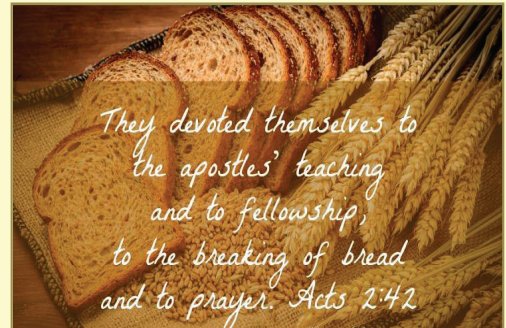

At Holy Family we are trying to change that and invite people into a deeper, richer, more satisfying understanding of the sacramental life.

Reconciliation

FIRST RECONCILIATION is celebrated in 2nd grade. We focus on helping children see that as baptized Christians, followers of Jesus, we are called to do good and avoid evil. The primary values explored are the need to forgive and ask for forgiveness from other. **Contrition** (what it means to be truly sorry) is part of forgiveness. The spiritual practices emphasized are the Penitential Rite at Mass and the celebration of First Reconciliation using Form 3 and includes the entire family.

In fourth grade additional catechesis is offered and the children are prepared to celebrate Form 1 of the sacrament of Reconciliation – face-to-face confession with a priest.

FIRST EUCHARIST

The celebration of the Eucharist is the "**source and summit**" of our faith. For Catholics, without the Eucharist the communion we so earnestly seek with God and each other is not possible. This is why the first Christians made **"the breaking of the bread and the sharing of the cup"** such a priority. It was in this meal they shared together, that their Lord, Jesus, was most present to them. The same is true for us today.

Just as you feed your children, God feeds us. For us the Eucharist is literally the **bread of life**. The preparation for 1st Eucharist begins with feeding; bringing your child with you to celebrate the Eucharist each Sunday. Everything else in the preparation process flows from and leads back to the Sunday Eucharist.

For a detailed outline of the steps in the preparation process **[click here](#)**.

All Catechists, Co-Catechists, Hall Monitors and Parent Volunteers need to be **Virtus compliant**.

The next **Virtus Training** session here at Holy Family is **Sept. 10th 6:30 pm**. To register **[click here](#)**. If you have already done the training all you need to do is sign a **CANTS** form (this is done annually).

CONFIRMATION at HOLY FAMILY

Celebrating the Spirit is Holy Family's program that prepares high school teens for the sacrament of Confirmation.

Why does Holy Family offer the preparation for Confirmation in high school? Don't most other parishes do it in 8th grade?

The age of confirmation varies throughout the Church. Ten dioceses in the U.S. confirm children prior to the reception of First Communion ([click here](#) for a list of parishes and the reasons behind this practice). Others celebrate this sacrament exclusively in high school (Milwaukee, Corpus Christi, and Buffalo to name a few). Parishes in the Chicago

Archdiocese confirm young people as early as 5th grade; as late as the spring of 11th grade. About 40% of the parishes in Chicago now confirm young people in high school.

The debate about the age when sacraments should be conferred is nothing new. Prior to St. Pius X's encyclical [Quam Singulari](#) (1910), First Eucharist and First Confession were celebrated at the age of 12, 14 or even older. Receiving First Communion at the age of 12 lasted into the 1940's in many parishes. Often, a shift in the Church's understanding of a sacrament or sacraments in general, leads to these changes.

Currently the Church teaching and law state that

- ❖ Confirmation is a decision, a statement of **personal** faith.
- ❖ Part of the preparation process is that a Catholic should discern the opportune time to be confirmed in the faith.
- ❖ No person should be confirmed if they do not wish to be. If a candidate does not feel ready they should say so.

At Holy Family we feel that young Catholics are best able to begin this discernment process during their high school years. At Holy Family **disposition**, demonstrated in concrete expressions of a personal faith is the mark of readiness.

The focus of the two year preparation process is on the development of **personal ownership of the Catholic Christian faith**. The faith these young people were given by their parents now needs to be internalized and integrated in a personally authentic spirituality.

Celebrating the Spirit has options for teens at all stages of their faith journey.

- Freshmen and Sophomores attending a Public High School
- Freshmen and Sophomores attending Catholic High Schools
- Juniors and Seniors attending a Public or Catholic High School who have not been Confirmed
- Teens that are choosing at this point in their lives to be baptized as Catholics or make a Profession of Faith and receive First Communion with the sacrament of Confirmation.
- College students, who have not been Confirmed

[Click here](#) for more information about all these options. If you have questions or concerns please contact Grant Guthrie, 847-907-3439, gguthrie@holyfamilyparish.org

“... ministers may not deny the sacraments to those who **opportunistically** ask for them, are properly **disposed** and are not **prohibited** by law from receiving them.”

Minnesota Mission Trip Log

PART 3: Which spiritual experience was your favorite?:

I loved when we did adoration. I had never experienced adoration before, and it was truly amazing. I felt the presence of God in the room, and it was really cool, and a little overwhelming.

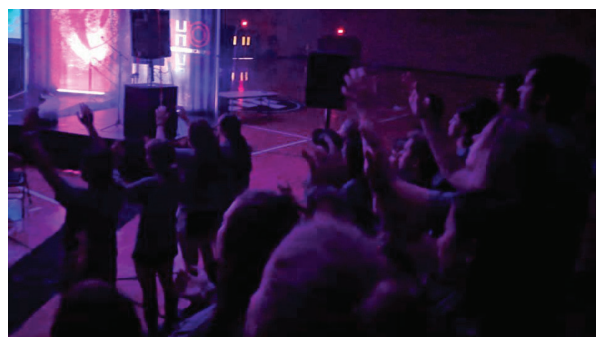

Adoration - it was a new experience and it was really beautiful.

Praise and Worship - I really enjoy singing and prayer through song.

I love singing and feeling the songs with everyone singing around me.

Adoration - it was my first time truly feeling close to God.

Four Corners moved me so much. I mostly wrote for the whole time and prayed at the very end. It is a big reason I'm really excited to continue my faith.

Thank you to all of our generous donors who made this trip possible. With your help we were able to change so many lives for the better, including our own. We will forever be grateful.

offers assistance with life's basic needs, spiritual and emotional support as well as additional resources with partners in our community while promoting mercy and justice by putting our faith into action.

Catholic Social Teaching – United States Catholic Conference of Bishops

The Church's social teaching is a rich treasure of wisdom about building a just society and living lives of holiness amidst the challenges of modern society.

The Dignity of Work and the Rights of Workers

The economy must serve people, not the other way around. Work is more than a way to make a living; it is a form of continuing participation in God's creation. If the dignity of work is to be protected, then the basic rights of workers must be respected--the right to productive work, to decent and fair wages, to the organization and joining of unions, to private property, and to economic initiative.

All people have the right to economic initiative, to productive work, to just wages and benefits, to decent working conditions, as well as to organize and join unions or other associations. *A Catholic Framework for Economic Life, #5*

All these rights, together with the need for the workers themselves to secure them, give rise to yet another right: the right of association, that is to form associations for the purpose of defending the vital interests of those employed in the various professions. These associations are called labor or trade unions. *On Human Work (Laborem Exercens. . .), #20*

Holy Family is Eliminating the Use of Styrofoam Cups

One of the Catholic social teachings is to be good stewards of creation, be aware of our use of valuable resources and to reduce waste. In an effort to be better stewards of the environment, Holy Family will take the first step by discontinuing the use of Styrofoam coffee cups. Only paper cups will be available once our supply of Styrofoam is used up. We hope, eventually, to eliminate the use of all Styrofoam products from church use as we are well aware of the negative impact it has on the environment. Paper coffee cups cost more than Styrofoam, so we ask, when possible, to use ceramic coffee cups (available in both kitchens) and return them to the kitchen cleansed after use.

Thanks for your efforts to be a model to others by being prudent stewards of God's creation.

BACKPACKS AND SCHOOL SUPPLIES FOR PEACE CORNER YOUTH CENTER CHILDREN

Holy Family collected backpacks and school supplies for the children at The Peace Corner Youth Center in Chicago's Austin Neighborhood. Holy Family supported the PCYC over Lent and donated over \$51,000 to their programs. The back packs and school supplies were a big hit with the children and their parents! As the backpacks were being delivered, a large truck was delivering new furniture for the center. Funding of the furniture was made possible by our Lenten project proceeds. They intend to continue to use the funds for additional furniture and technology upgrades to not only assist the children using the Center, but their parents as well. Thanks, again, to our generous donors which contributed financially at Lent and for the back packs and schools supplies this summer. The PCYC is truly grateful for our prayers and support.

VIRTUS - Protecting God's Children Offered at Holy Family on October 2, 2018

**Class starts promptly at 6:30pm &
concludes at approximately 9:30pm.**

Since 2004 all adult volunteers who work with children have attended the Virtus - Protecting God's Children training. The Protecting God's Children program is designed to raise awareness about the nature of child sexual abuse, to educate on how to recognize the warning signs, and to train about what to do when we suspect a child is being victimized.

It is also important for all of us to join together to build a society where children are no longer at risk of being sexually abused, where those who have been victimized can find the resources and courage to heal, and where all people live together in loving, supportive relationships.

To register for one of these sessions or a session at another location, visit www.virtusonline.org and click on the First-Time Registrant button on the left side of the homepage. Let's join together and help to keep all of God's children safe!

ANIMAL BLESSING

Pets bless us with unconditional love and joy every day. On the feast of St. Francis of Assisi, people of faith around the world host events where animals receive a special blessing. **Bring your pet(s) to the Court-**

yard of Holy Family Parish on Saturday, September 29th, at 10:00-11:00am for the Blessing of the Animals.

Why a pet blessing? It's an opportunity to celebrate God's compassion and concern for all creatures...It's an occasion to meet neighbors and enjoy easy conversation about a common interest – pets we love.

Each pet will be individually blessed and receive a blessing certificate. Any pet that is safe to bring is welcome. Please get the word out and invite friends, family, and neighbors to bring their pets along as well.

CREATIVE SEWING MINISTRY

We meet monthly to create the baptism bibs and stoles given to each of Holy Family's newly baptized children. Members also knit and crochet items such as prayer shawls and chemotherapy hats to bring comfort and healing to others. We work as a team to complete each item, sharing our talents and creating friendships along the way.

Meetings are on the 4th Tuesday of each month from 1:00-4:00pm.

Our next gathering is on September 25th.

Come join us! To learn more about the Creative Sewing Ministry, contact Cely Andal at ctandal@comcast.net
