Fr. Terry Keehan

There is a universal message in the story of the Wizard of Oz. I trust almost all of you are familiar with the story. If you aren't, please watch the movie. After a long, strange trip, Dorothy returns home to Kansas completing, and perhaps complementing, her initial desire to get away from home. She encounters many colorful characters on her journey, including one very evil (a witch), and one very deceitful (who redeems himself), as well as companions she meets along the way who are also lost. Finally, after returning to the security of home, surrounded by the people she loves the most, she proclaims, "Next time I go searching for my heart's desire, I won't look any further than my own back yard."

Dorothy returns home as a changed person. The experience of the trip away brings profound insights. She goes away, and because she goes away she is somehow more deeply appreciative of what she has upon her return.

Hopefully our journey of Lent has been somewhat like that. Easter invites us to return to life, but the journey, the Radical Journey of the Heart this Lent, has deepened our appreciation for life. The symbols of the Easter Vigil help us to ritualize this return.

Light! The Paschal Candle (also called the Easter Candle) is brought into church in the darkness of the Easter Vigil night. Its light is shared and it spreads throughout the church to illumine our lives. Where there is light, there is no darkness. The light of Christ dispels all darkness, and the light within each of us and the collective light of our community can give life to a sometimes dark world. This light shines particularly bright as we move through the seven weeks of Easter—towards the fiery light of Pentecost.

Water! Baptismal water is another key symbol of new life. Our fonts have been dry all Lent, coinciding with the dry, desert experience of Jesus for forty days. We open up our font at Easter and gather around the large pool that symbolizes our community specifically, and all life more generally. Our large font is filled with water, and where there is water, there is life. Each of us was immersed in the water of our mother's womb. We could not separate life itself from that water. Plants and other vegetation thrive with water. Lakes and oceans comprise a large portion of the surface of the earth. Our bodies are 50-60% water. Water

nurtures, water heals, water soothes. In very large quantities, and in certain flooding situations, water can destroy. There is power in water and the Easter season brings us much water through several rituals. They include being sprinkled as we renew our baptismal promises and gathering around the large font in the middle of our church, reminding us that we are in THIS together. THIS can be many things, but during Easter, THIS is primarily Life. New Life!

Just like Dorothy in the Wizard of Oz, we can return to life enriched by a great variety of experiences, some very challenging, that can help us appreciate just how new life can be.

Another aspect of Easter and new life that has inspired me recently is how it can raise us up. Many of my peers are currently or in the process of becoming grandparents. It is absolutely amazing how new life can raise us up and give us new energy. The enthusiasm with which new parents and grandparents welcome birth, infancy and childhood seems to raise them to new heights. It gives new energy, perhaps with greater appreciation, following many life experiences that come with age.

New Life at Holy Family

Please be attentive to the many programs, ministries and activities that we offer here at Holy Family that can raise you up spiritually. Easter can bring both a challenge and an invitation for new spiritual life, and simply getting involved in something that you are not currently involved in that is a connection between a God given talent of yours and a need in our community, can bring surprising newness.

Perhaps your spiritual life needs a refresher. Consider joining or even forming a Small Christian Community, being an usher at Mass, participating in one of our many Adult Faith programs, our Beloved Retreat, or even being a Catechist for some of our younger parishioners. The possibilities are many! Try it! Try something new!

Speaking of new!!! Our Mass of Rock is a new liturgical experience filled with new energy and enthusiasm which we kicked off on January 27. The next Mass of Rock will be on Pentecost Sunday, June 9 at 4:00pm. Please pray with us in a Rockin' way and bring friends.

CREATIVE SEWING MINISTRY

We meet monthly to create the baptism bibs and stoles given to each of Holy Family's newly baptized children. Members also knit and crochet items such as prayer shawls and chemotherapy hats to bring comfort and healing to others. We work as a team to complete each item, sharing our talents and creating friendships along the way.

Meetings are on the 4th Tuesday of each month from 1:00-4:00pm.

Our next gathering is on April 23.

Preparing for Next Week...

Watch our weekly SCC reflection @ <https://www.youtube.com/user/HFInverness/videos>.

Click on reflections for Sunday Readings 4-28-19 and listen
to Karen Brady, Small Christian Community member, reflect on the readings.

2nd Sunday of Easter

1. Why was it important for miracles and healings to continue as the early church developed? What signs and wonders can we point to today?
2. As we see a more mature church today, what must be done to bring in new believers?
3. In Revelation, John is urged to "write what you have seen." If you were asked to write a short article on Holy Family, what are the 2 or 3 main points that you would make?
4. Are there times – like Thomas – when you have doubts about your faith?
5. In terms of your faith, what helps you believe what you cannot see? What brings you back?
6. The disciples had locked themselves up in fear of the Jews. What do you fear in your life and how do you react? Does your reaction promote justice or inhibit justice?

Beloved Retreat

No matter where you are in life, this retreat is an opportunity for renewal, and Easter is a great time to think about that! Beloved is not a retreat designed for married couples (although couples are certainly welcome to come together). It is a retreat for anyone and everyone who seeks a deeper understanding of what our baptism means to us today! WERE you baptized, or ARE you baptized?

The Beloved Retreat was created by a team of people from Old St. Pat's in Chicago, and with their help, this retreat has become a new Holy Family tradition. We currently have over 111 "Beloveds" at Holy Family and we are preparing for Beloved Retreat #4! Since it has been so popular and we have received word that the winter months are hard for some people, we have moved the next retreat to November 1-3, 2019 at the beautiful University of St. Mary of the Lake in Mundelein. The cost will be \$195 per person (Beloved Angel Scholarships are available if cost is an issue, so never let that stop you from registering!). Registration will begin in July, but if you would like to be contacted when registration begins, please send your name, address, phone number and email to Mary Whiteside at mwhiteside@holyfamilyparish.org or 847-907-3450. Space is limited to 33 participants so get your name in early! Here's what others have said about the retreat:

"The Beloved retreat was amazing. I cried, I laughed, I was so moved. I was surprised how much the stories related to people in my own life. I not only felt more loved, I felt I am able to give more love..."

"We came in as outsiders, anxious, a little nervous, completely unsure of what to expect, but did feel in my heart that God wanted us here. I feel like I have been run over by a LOVE steam roller!!!"

"The image of the Holy Spirit bestowing blessings of grace and kindness and pure joy captures my feelings about the Beloved experience."

Family & Teen Faith

alleluia *We are an Easter people
is our song*

Look over the list of spiritual practices. Choose one or two you will focus on from now until Pentecost. Maybe you want to do one as a couple/family and then choose another for yourself. Let your children each choose one. Share with each other the practice you have chosen to do so you can encourage each other. Compliment your children or your parents when **'you catch them practicing their resurrection faith'**. Make time each day or every other day to share with each other how being an Easter disciple is going for you.

Do you have an Easter plan?

SIMPLE SPIRITUAL PRACTICES

- Breathe deeply for three minutes each day
- Wonder and admire God's creation
- Take note of all growing things – plant something new
- Give three compliments each day
- Be mindful of what you do

Happy Easter!

Our Students' Radical Journey of the Heart Never Ends!

HFCA's faith-based education provides a foundation for spiritual growth, moral decision making and service to others. As thinkers, leaders grounded in faith we are all called, no matter our age, to learn about important issues, seek to affect change, and respond to people in need by being the hands and feet of Jesus.

Our faith is integrated into every thing we do at HFCA. Many of our inquiry learning units are linked to Catholic Social Teachings.

Every year, our 6th grade classes share their Lenten Living Stations of the Cross with our entire school community. It is a meaningful way to reflect on the Stations of the Cross and make Jesus' life, death and resurrection relevant for our students.

The 6th graders remind us that Jesus is our example. As we reflect on His sufferings, we can find strength to see beyond our own present difficulties and learn to extend our love to others in their time of need.

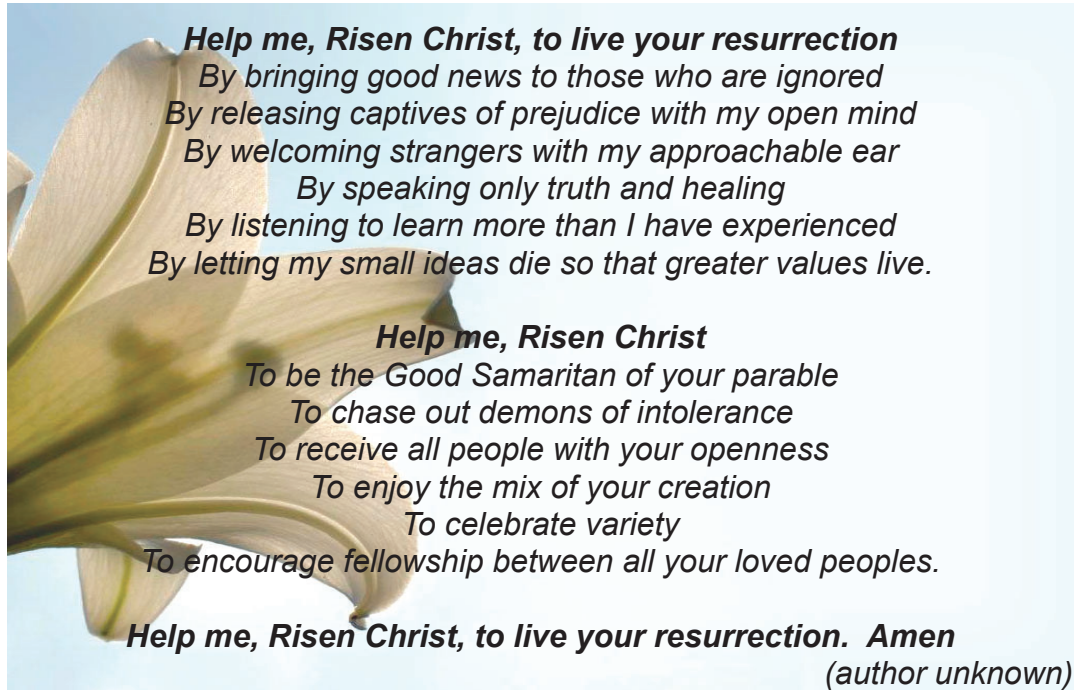

Our journey of the heart never ends!

We're Havin' a Salad in a Jar Party
Thursday, May 9, 2019 from 4:00pm to 6:00pm
Holy Family Common Ground
Limited Seating – Register NOW!

The OWLS are honored to have inspirational speaker, Mollie (McCoy) Burleson, return to Holy Family to present our May event. Mollie is also a soccer mom, home school mom, and musician who lives with her husband, Thomas, and 2 sons. Music was a significant part of her life from a very young age and, after college, she accepted a full-time position here at Holy Family as Music Director for 9 years. Seven years ago she discovered the power of whole food nutrition on the human body. Her energetic and enthusiastic style, through events such as this, allows her to share her heart and inspire healthy living wherever she goes!

Organic or conventional? Eating healthy can seem like a daunting task, but it doesn't have to be! Come and hear how each color of fruits and vegetables affects different parts of the body. Let's hear about fun ways to incorporate healthier options into our lifestyle. She will guide us step-by-step as we build "salads in a jar" to create the healthiest "fast food" you've ever seen!

A fee of \$12 will include this presentation, a 16 oz. dishwasher cleaned mason jar, and the prepared veggies needed to make your own personal "salad in a jar" to take home and enjoy. Hospitality will also be served.

You must be registered to attend. Registration forms are located on the narthex shelves. Please complete the form and return to the front office **no later than Sunday, May 5**. Due to the preparation for this event, **we cannot accept late registrations or walk-ins**. Questions: Please email Eileen at dwtstjs@aol.com or Barb at owlsnest2018@aol.com.

Human Concerns

2019 Lenten Social Justice Project

Kino Border Initiative and Holy Family Fund

Humanize the immigration issue; recognize its complexity; accompany people on their journey.

This Lenten season, Holy Family walked a path alongside individuals and families striving to live a life that is productive, strengthens the family unit, and maintains inherent dignity - all within an environment that is safe and nurturing. Our intent was to humanize the immigration issue and to recognize its complexity, while emphasizing accompaniment of people on their journey.

Respecting the human dignity of every individual is the first and foremost Catholic social teaching. Throughout Lent, we addressed six of the seven main Catholic social teachings. These teachings include: Respecting Human Dignity; Call to Family, Community, and Participation; Rights and Responsibilities; Option for the Poor and Vulnerable; The Dignity of Work and the Rights of Workers; and living in Solidarity with our brothers and sisters everywhere.

Our goal is to raise a total of \$25,000 for the two programs – the **Kino Border Initiative** and the **Holy Family Fund**. Both programs are supported by Catholic Extension Society.

Kino Border Initiative (KBI) promotes U.S./Mexico border and immigration policies that affirm the dignity of the human person and a spirit of bi-national solidarity through direct assistance and education. Every year, thousands of migrant men, women and children are deported to Nogales, Sonora, Mexico or arrive in the city fleeing from Central America. They often arrive with only the clothes on their backs and a small plastic bag that contains their belongings. They often do not know where to turn to receive a meal, find shelter and to make a phone call. They also arrive emotionally and psychologically devastated, due to separation from their family members or the inability to work legally in the United States.

The Kino Border Initiative is responding to the critical humanitarian needs of migrants in many ways:

Aid Center for Migrants (CAM – Initials in Spanish)

The CAM provides two meals a day to migrant men, women and children deported to Nogales, Sonora, Mexico. The CAM also distributes clothing and personal care items, as well as providing orientation for social service assistance. It also offers some first aid assistance.

Nazareth House

Nazareth House is a shelter for migrant women and children, to respond to their vulnerability in the streets of Nogales, Sonora. It is a safe space where women and children can bathe, eat, sleep, call their families and reflect on their experience. They receive opportunities for prayer and pastoral support as well.

Presentations, Talks and Workshops

Offers presentations on the reality along the US-Mexico border and how the KBI and other faith groups are responding to the humanitarian crisis.

Immersion Experiences

Offers participants an opportunity to spend time with migrants and learn from their stories, as well as to understand the broader context of the border and immigration.

Retreat Day/Day of Reflection

Offers a day-long retreat to reflect on the issues surrounding immigration.

Kino Teens

Is a network of high school youth groups providing students the opportunity for direct service to deported migrants, for participation in educational activities offered to interested groups and organizations and for advocacy visits to local legislative offices.

Research

Migration is a complex phenomenon and for this reason, the Kino Border Initiative recognizes the importance of providing a space in which scholars and students can do research on migration and help find solutions to pressing policy issues. Past researchers have investigated topics such as service learning, nursing care for women

migrants and the effects of security policies on the U.S./Mexico border.

Advocacy

The KBI's advocacy efforts are rooted in Catholic teaching and are a response to the human realities that we encounter at the border. We partner with other organizations to advocate in the US and Mexico for policies that advance humane, just and workable migration in the region. KBI's advocacy is supported by a survey in its Aid Center for Migrants to obtain basic information about the people served and to document abuses committed against them as well as ongoing, in-depth documentation of migrants' experiences in Mexico and the U.S.

The **Holy Family Fund** is a program provided by Catholic Extension in partnership with local Catholic Charities offices. It provides emergency funds and services to a family after one or more of the undocumented income earning adults in the home are detained or deported by the US government. The families contribute to the fund on a monthly basis (\$20 for an individual, \$30 for a couple). The participant becomes eligible by enrolling through an agency such as Catholic Charities and paying their monthly fee to the Holy Family Fund. After the needs of the family are assessed, the family may receive benefits up to \$5000 per enrolled participant to help pay for rent or house payments, utilities, health care, etc. to maintain stability for the family. Much more information can be found in the brochures in the narthex.

Lenten SJ Project envelopes are in the narthex. Please make your check payable to Holy Family with a notation: Lent SJ Project or go to www.holyfamilyparish.org to make an electronic donation. If you need more information or have questions, contact Sue Geegan, the Director of Human Concerns, at sgeegan@holyfamilyparish.org or 847-907-3443.

HOLY FAMILY'S SPRING CLOTHING DRIVE For St. Vincent de Paul Saturday, May 4 and Sunday, May 5

Holy Family will hold its annual Spring Clothing Drive for St Vincent DePaul on Saturday, May 4 and Sunday, May 5. There will be volunteers there to take your donations and put them directly on the truck. Tax receipts will be available. PLEASE DO NOT BRING ANY DONATIONS TO THE CHURCH PRIOR TO SATURDAY, MAY 4. WE HAVE NO STORAGE SPACE AVAILABLE. Please contact Mary-Frances at mfconway94@comcast.net if you would like to help or have questions.

Interfaith Mental Health Coalition Presents: SUICIDE AWARENESS AND INTERVENTION TRAINING Monday, May 6, 2019 7-8:30pm Common Ground

Suicide is a difficult topic for all of us. Our goal is to equip you to feel more confident in responding to those who are struggling with wanting to live, or those who have lost a loved one to suicide.

Goals of Training:

- General awareness about suicide
- Learn warning signs of suicidal thinking and behavior
- Learn three basic intervention skills that can help avert the tragedy of suicide (QPR)

Facilitator, Mandy Burbank, LCSW, will facilitate the 80-minute training. You will go home with a resource booklet to assist you if and when you need to employ QPR. To RSVP contact Sue Geegan at sgeegan@holyfamilyparish.org or 847-907-3443. There is no charge for this training, however, a free will offering will be taken to support agencies providing prevention services.
