Fr. Terry Keehan

I believe that we are all excited about the possibility of opening up church soon. That is very understandable and, believe me, I am looking forward to it more than I had even earlier anticipated.

However, I want to share a warning with you as well as a word of caution. Certain news stories have identified dates when churches will reopen. I cannot emphasize enough that this cannot happen until we are certified and given permission to let anyone in our building.

We have already surfaced a small leadership team as per Archdiocesan guidelines and have begun training the team. The training is very intense and thorough and the process of reopening will be methodical. This process supports standards set by the State of Illinois with the support of the Archdiocese of Chicago.

Our team will engage volunteers to assist with the Set Up, Greeting and Sanitizing of our facility BEFORE and FOLLOWING each liturgical event that will be limited to 10 attendees. We ask you to cooperate with the guideline that will be set and be faithful, pro-life citizens. For more and ongoing information, please be attentive to the weekly email blasts, webpage and bulletin articles.

I miss all of you! I miss celebrating with you and receiving the real presence of our Lord in the Eucharist. I miss the activity and the strong daily hum of people filling our expansive campus with such life.

It is more pronounced for you I'm sure, because you can't come here to Holy Family. For Fr. Rich and I, it is pronounced in a different way. We ARE here but no one else is. That fact makes me yearn to gather again even more. Every day this empty facility reminds us of what we are missing – YOU!!!

Fr. Rich and I really missed taping Mass for a three week stretch because we were quarantined. I was exposed to Covid while giving the Anointing of the Sick to a man who tested positive. His results came the day following my visit. I want to send a heartfelt thanks to those of you who extended prayers and good wishes during our quarantine. As always, I want to send a great big thank you also to Friar Johnpaul for taping Masses during our absence. He was scheduled to preside periodically anyway but his additional

generosity is much appreciated.

We are concluding the Easter Season with two important liturgical events – Ascension this weekend, and Pentecost next weekend. I liken the Ascension to The Last Dance of Jesus on earth. Coach Phil Jackson labeled the 1997-98 Chicago Bulls season as *The Last Dance* because he was informed by management prior to the start of the season that it would be his last as head coach of the team.

A 10-episode documentary of the same name and season has been aired the past 5 weeks, and my observation is that the Bulls' Last Dance was an ending. The Ascension of Jesus and Pentecost are beginnings. The energy of the Bulls Last Dance was down and in. The spiritual energy of Ascension and Pentecost are up and out.

Jesus ascends UP, but he first commissions the 11 apostles to go OUT to ALL nations and Baptize and assure his loving presence in the world for all time.

I often point out that the Holy Spirit then gives the apostles what they need to accomplish or start such a huge task. The Acts of the Apostles (Ch 2:1-4) tells us that Holy Spirit helps to surface Matthias to take the place of Judas, thus completing their group, and then the same Spirit directly gives them what they need to baptize ALL nations in their native language. That gift enabled them to tell ALL nations the story of our God becoming human in Jesus Christ and his salvific acts that continue today—by the working of the same HOLY SPIRIT.

I hope that you all have as good a Memorial Day as possible given the restrictions that we are living in. It is an opportunity for us to use the precious gift of our memory to stay in communion with our loved ones who have passed away. Similar to the limitation of contact with each other now, our contact with them is limited. May no barriers prevent us from cherishing the gift of life that God has given us. May we appreciate each other's presence now more than ever, even though we are limited by distance and physical touch. The life that God has given us is too powerful to be limited by a pandemic or death.

Happy Memorial Day!

Happy Birthday, Church! Celebrating Pentecost at Home

**The Liturgical Arts
Community...**
creates a vibrant prayer
and worship experience
so that all may
participate in a fully
conscious and active
way in the liturgy. This
includes different
forms of prayer and
worship experiences,
for all attending Holy
Family.

On May 31 we will celebrate the great Feast of Pentecost, the Birthday of the Church. Our Paschal Season journey that began on Ash Wednesday is about to end, but the journey has been far different than any of us could have imagined. We have experienced a change in perspective relative to suffering, self-sacrifice, and community, and have witnessed Love First and Always in action. Now, at Pentecost, we are called to go forth, in the power of the Holy Spirit. The mission of salvation takes on a new life as the Spirit fills us with the gifts needed to be Christ for the world in these trying times.

We are the Church whose birthday we celebrate today. To follow Christ, to be Christ, is the essence of Christianity; it is the meaning of Pentecost. We have been outside the walls of our church building for many weeks. And even though we all look forward to the day we can return to our beloved Holy Family church building, hopefully this period of "exile" has helped us to recognize the importance of our domestic Church, our many holy families, and of being church for others by healing, serving, reconciling, and loving. Since we won't be able to be together this Pentecost, please help us celebrate this special birthday by gathering your "holy family" together for a photograph. Dress in red, make a decorated sign reading "Happy Birthday, Church!", hold red balloons and/or red and yellow streamers; be creative. Send those photos to **media@holyfamilyparish.org** no later than Friday, May 22.

On Sunday, May 31, tie red and yellow ribbons around tree limbs, or tie red and yellow balloons to your mailbox, allowing them to blow in the breeze, recalling the power of the Holy Spirit coming like a strong driving wind. Fly a kit. Make a cake to celebrate the birth of the Church. Red icing and candles serve as great reminders of the Spirit coming as individual flames on each of the disciples. Make a banner, draw some pictures, or find another way to express the day artistically. Post your creations around your home as reminders of the gift of the Holy Spirit and the Church. Again, be creative!

HAPPY BIRTHDAY, CHURCH!

Preparing for Next Week...

Watch our weekly SCC reflection @ <https://www.youtube.com/user/HFInverness/videos>. Click on reflections for Sunday Readings for 5-31-20 and listen to Fr. Terry Keehan reflect on the readings.

Pentecost

1. How did the Pentecost enable the faith to reach the corners of the earth and grow for over 2,000 years?
2. Like the disciples, if you could suddenly speak multiple languages and communicate like never before, how would you use this new gift?
3. In our second reading, Paul says: "There are different kinds of spiritual gifts but the same Spirit." In the church today, do we really value all the different gifts of the Spirit, including diversity?
4. Jesus repeatedly offered the gift of forgiveness, and passed it on to the disciples. Why is forgiveness so important yet so elusive? How can we do a better job of forgiving in the coming year?
5. Now that Lent and Easter have concluded, have you experienced anything different in your thoughts or actions?

SOCIAL JUSTICE QUESTION

Where is the Holy Spirit leading you in your work for the common good? Are unresolved or unforgiven trespasses holding you back?

Re-Opening Process

The last time we were together in church was 10 weeks ago, and we are all anxious to return to our Holy Family home. We have recently received information regarding Phase 1 and Phase 1A of re-opening the Church. Phase 1 allows for Sacramental events, i.e. Baptisms, Weddings, Funerals and Reconciliation. Phase 1A allows for adoration and private prayer. A certification process is required for the re-opening of these phases. We have reviewed the guidelines, created the required teams, and are now in the process of creating and establishing the necessary protocols to comply and receive certification for Phase 1 reopening. *At this time we do not have a re-opening date*, however, we will continue to communicate our progress and plans.

While the church has been closed, our maintenance staff has been not only monitoring our facility, but also cleaning, sanitizing and preparing for our return. The most recent projects completed have been very large in scale. For the first time in many, many years the gym ceiling has been cleaned, and it was no small feat. The floor covering the Baptismal Font has been refinished and they are currently power washing the stone façade of the church.

Our truly talented and gifted maintenance staff has found new ways to approach many of their daily routines, organize storage spaces and discard useless items, and will soon be painting curbs. HOORAY for our maintenance staff! If you happen to see a maintenance person now, or when you return to the campus, please give them a thank you. We couldn't do it without them!

Spirit Camp reimagined

Uncharted times call for
cutting edge innovation

Spirit Camp 2020 will be different, yet isn't every Spirit Camp unique in its own way?

Isn't the **SPiRiT** in Spirit Camp is the creativity unleashed when we are in the presence of and cooperate with God's love?

With six area parishes collaborating on this year's Spirit Camp, it could be the most creative and unique ever, as we draw on the amazing talent and ingenuity that such collaboration brings. Digital age technology cannot replace the energy generated by gathering with others in the same place at the same time. It does afford us a completely new range of possibilities and choices.

We know you and your kids are sick of e learning, tired of Zoom meetings and desperately in need of a break from screen time. We have considered all those issues when planning this year's Spirit Camp.

You never know what
can happen when the
Holy Spirit moves!

Things to consider

- **The date for Spirit Camp has been pushed forward to June 29.** Parents with school ending a month before that, you might be looking for something for your kids to do, especially if the re-opening process moves slowly.
- **Spirit Camp will have **NO ZOOM** meetings**
- **Your kids will not be sitting in front of a screen** for extended periods.
- **Everything you need to participate is pre-packaged and pre-recorded.**
- **The scheduling is extremely flexible and totally in your control.** You can choose to do the five days of Spirit Camp every day for a week, one day a week for five weeks or in any other configuration that works for you, (online materials will be accessible until September 1, 2020).

2020-21 Faith Classes are tentatively set to begin on **September 13, 2020**. We are asking families to register **now**, in order to facilitate planning for this Fall. Please mail or drop off your **Fast Track Form** to Holy Family or **register on-line**.

FAMILIES BELONG TOGETHER Catholic Extension's Holy Family Fund

The Human

Concerns

Community...

offers assistance with life's basic needs, spiritual and emotional support as well as additional resources with partners in our community while promoting mercy and justice by putting our faith into action.

Catholic Extension has long supported ministries to welcome and support immigrants, so it is no surprise that when immigrants endure the traumatic impact of detention or deportation of a breadwinning member of their family, Catholic Extension, through the support of you, our donors, is there to ease their suffering. This past year, Catholic Extension established the Holy Family Fund to assist immigrant families in Extension Dioceses who experience a sudden family separation due to ICE raids, detention and deportations. The title of this program honors our founding partner, Holy Family Parish in Inverness, Illinois, whose generous donations from a Lenten appeal created the fund. The name also honors the Holy Family of Nazareth, Mary, Joseph and the Christ Child. They themselves were a young immigrant family who fled violence and persecution in their homeland. The program provides funds and supportive services to immigrant children and spouses who experience extreme financial insecurity and profound trauma in the wake of these abrupt family separations.

Last August, the largest immigration raid in U.S. history took place in Morton, Mississippi, when 680 residents were detained without notice. Families were shattered. The immigrants, mainly of Guatemalan descent, belonged to poor parishes that Catholic Extension has helped for years. Through the Holy Family Fund, Catholic Extension responded immediately. We provided emergency aid to several parishes, who then reached out to families with humanitarian assistance and eased the chaos. Father Jack Wall, our president, said "Separated families, like the ones in Mississippi, are the human toll of our broken immigration system, which suffers from our nation's inability to find a common sense legislative solution to this pressing issue." "Families are the core of our Church and our nation," he added. "There is no greater thing that we can do for the common good than to strengthen families, including immigrant families. When we break up families, no one wins."

To date, the Holy Family Fund has extended nearly \$125,000 to immigrant families. In addition to donating \$80,000 to this fund, Holy Family Parish has extended nearly \$300,000 to Catholic Extension from other Lenten campaigns through our Parish Partnership Program. This initiative offers parishes the opportunity to make a difference in the lives of fellow Catholics by connecting them to communities in need.

Jonathan, 8 years old, wrote: "There are many destroyed families, children who are suffering, waiting to see their dad or their mom who are still in detention. We ask you to keep helping people who still have family members in detention. Please do not abandon us. Because we the children are the ones who are suffering the most after the raid on August 7th. Many days have passed and the children still have hope to see their mother or their father come back home. We are very grateful for all that you are doing for us and for the help that you gave to my mom."
