## **Jeremiah 29:11**

*“For I know the plans I have for you,” declares the LORD,  
“plans to prosper you and not to harm you,  
plans to give you hope and a future.”*

### **Abby Rydberg**

**Ministry Involvement:** Passion Play, Mission Trip, Kairos, Peer Ministry, Spirit Camp, Faith on Fire

**Plans after Graduation:** University of Illinois at Urbana-Champaign, Systems Engineering, Design/Pre-Med

**Senior Reflection:** As I have grown up Holy Family has become more and more of a second home to me. It's a place where I constantly find myself connecting with strangers, laughing with friends, and discovering more about my faith. I will miss having a physical place to go to during hard times but I'm thankful for everything Holy Family has taught me about myself.

### **Alex Kaminsky**

**Ministry Involvement:** Kairos

**Plans after Graduation:** Boston College, Neuroscience

**Senior Reflection:** Holy Family has been my academic and religious home since I enrolled in the academy in kindergarten. This building has become my second home, a place of peace and tranquility. The Holy Family community is something I'll miss because I'll no longer be physically surrounded by so many caring individuals.

### **Alex Lamerand**

**Ministry Involvement:** GLOW, Passion Play, EM, Tech Crew, Kairos

**Plans after Graduation:** University of Iowa

**Senior Reflection:** The most special aspect of our church is the huge acrylic cross and every time I see that I feel serene and comfortable. I'm going to miss my GLOW family and passion play. I've grown in my faith by being part of kairos. My faith grew so much in just a short 4 days and paved the way for me joining GLOW which made my faith even stronger. Shout out to Greg for helping me with my GLOW talk, that was the best experience I have ever had.

### **Amanda Eck**

**Ministry Involvement:** Spirit Camp, Flame

**Plans after Graduation:** University of Iowa, Sports Marketing

**Senior Reflection:** My small group that I was a part of for 4 years was one of the best parts about growing in my faith. I had wonderful catechists and peers who I've known my whole life, so it was amazing being able to go on that journey with them by my side. I will miss everybody who made it so special for me, and thankful for everything I learned along the way that I can take with me for years to come.

### **Amanda Logan**

**Ministry Involvement:** Peer Ministry, Kairos & Kairos leadership, 3 mission trips, Faith on Fire, Spirit Camp, Table and Light, One in Love, St. Lenard's House, 7 Passion Plays, Stations of the Cross

**Plans after Graduation:** University of Nebraska-Lincoln, Psychology

**Senior Reflection:** I grew up playing in the crawl spaces of Holy Family. Holy Family has always been a safe place for me and as I grew up and got more involved I found the community. I am going to miss exploring around the church with friends on retreats, I am going to miss mass in the teen section, and I am going to miss hanging out in the teen center the most. Holy Family is so special and it will be hard to find a church like this in Nebraska.

### **Andrew Berryhill**

**Ministry Involvement:** Passion play, kairos, spirit camp, loft crew

**Plans after Graduation:** University of Iowa, Business

**Senior Reflection:** When I was with God at church nothing else seemed to matter the way it does outside of church. As harsh as it sounds I don't think I'll miss holy family as a place but the people within mostly. I'm fortunate enough to have learned from so many people at holy family the ability to see god almost everywhere I go. So many people guided me along the way but Bernie Rupe is who was with me almost every step. He's taught me there's a lot more to church than just god and it's something I'll carry with me for the rest of my life.

### **Anne Farah Usman**

**Ministry Involvement:** RCIA, K27 retreatant, K29 leader, nycy, faith on fire, 4th days, drop in nights

**Plans after Graduation:** University of Illinois Urbana Champaign

**Senior Reflection:** Holy family brought me closer to god, not only through baptism last spring at the Easter vigil, yet it also made me realize that the whole community is a physical representation of God's love. This family has made me cry far too many times, most of them tears of joys, but even with all that, I'm forever grateful for my kairos family and especially the leaders and adult leaders in our church that have inspired me every day to push harder towards being the best I can possibly be.

### **Attie Stanson**

**Ministry Involvement:** AV Crew for Sunday and Holiday Masses, Passion Play (x2), Spirit Camp, Flame, Kairos, KoC Breakfasts & Fish Fry (through Scouts), Eagle Project, Drop In, What's on Your Mind?

**Plans after Graduation:** Harper & University of Illinois Urbana-Champaign, Computer Science

**Senior Reflection:** Looking back, I would not have wanted to go anywhere else for school and for my faith. Every person that I've encountered at Holy Family has positively shaped me. Heading off to college, I definitely want to keep all the close friendships I've made and I will greatly miss the warm sense of community at Holy Family.

### **Audrey Klink**

**Ministry Involvement:** Kairos

**Plans after Graduation:** Grand Valley State University, Finance

**Senior Reflection:** I will miss the whole Holy Family community because I have learned that there is nothing like what Holy Family has to offer. I absolutely loved all that I experienced at my short time at Holy Family before I leave for college. Kairos was such a huge life changing event and every mass hasn't failed to learn so much about myself and my faith.

### **Caroline Cochran**

**Ministry Involvement:** Peer ministry, GLOW, EM, kairos

**Plans after Graduation:** University of Dayton, Sociology

**Senior Reflection:** I will miss the community and how much everyone is there for each other. I will also miss the teen masses and going with my best friends. Holy Family is a home away from home because of all the people involved, the adults as much as the teens:))

### **Charlie Towns**

**Ministry Involvement:** Peer Ministry, Kairos, Drop in Nights, Spirit Camp, Working with WINGS and starting up a program helping those who are less fortunate, and baking cookies @ HF for inmates

**Plans after Graduation:** North Central College, Baseball, Basketball, Sport Management

**Senior Reflection:** Holy Family to me has always been a place of relaxation and peace. I know that every time I walk through those doors, I have nothing to worry about and everything to be thankful for. The Holy Family community has meant so much to me in my life. I'd grown up going to church every Sunday at Holy Family, and now that I'm a teen I've experienced so much more that I'm so grateful for.

### **Christina Annerino**

**Ministry Involvement:** Peer Ministry (FLAME), Kairos, GLOW, Mission trip, EM, Journeys

**Plans after Graduation:** Northern Illinois University, Nursing, Sociology, Deaf Studies

**Senior Reflection:** Holy Family helped me to better understand myself as a person, and my relationship with God. Through the ministries I've participated in, I've learned how to push past what I thought was possible for myself, physically and mentally. Being able to reflect on how I've grown after the two short years that it's been since I joined Holy Family from my first parish, I can honestly say that the people I've met and the things that I've accomplished have changed me and my life forever.

### **Claire Stewart**

**Ministry Involvement:** Peer Ministry, GLOW and Kairos

**Plans after Graduation:** University of Minnesota Twin Cities, Nursing

**Senior Reflection:** Holy Family has an amazing youth and teen program. I have been blessed with amazing religious education leaders, including Mrs. Kozlowski, Mrs. Hagan and Bernie, who have inspired and strengthened my relationship with God, Jesus and the Catholic Church. Life as a teen has many challenges. I Have always found comfort and complete acceptance within the Holy Family community. As I transition to college, I have faith that my catholic beliefs and education will continue to guide my choices and help assure a successful future nursing career.

### **David Mauter**

### **Denise Carlson**

**Ministry Involvement:** Peer Ministry, Passion Play, Kairos, Teen Choir, Faith on Fire, Spirit Camp

**Senior Reflection:** Holy Family has truly become a second home for me. All of the wonderful friends and opportunities I've had have brought me closer to God, helped me grow and find happiness, and shown me who I am and who I want to be. Thanks to all the friends and mentors I've had for guiding me on my continued faith journey! I'll miss the loving community of Holy Family, but I will always carry that love with me wherever I go.

### **Dominic Tuzzolino**

**Ministry Involvement:** Peer ministry, kairos, faith on fire, drop in

**Plans after Graduation:** Undecided, Marketing

**Senior Reflection:** Coming into holy family I was unsure about my faith. Having a role model like Joan Sloan helped me find my faith and because of her I have my own relationship with God. I understand what my faith means to me and I will always be grateful for the experiences I had at Holy Family.

### **Dylan Cazarez**

**Ministry Involvement:** Faith on Fire, Kairos

**Plans after Graduation:** DePaul University, Cybersecurity

**Senior Reflection:** One thing that is special to me at the time I've been at holy family is the way people treat each other, It's like no other. When I walked through the doors at holy family, I felt nervous but was quickly diminished of that nervousness by the smiles and welcoming of my peers. One person who I'd love to thank is Ryan Kiolbassa because he lead me to this great church and to continue bringing smiles to others.

**Ministry Involvement:** Kairos (K1 at St. Nicks Parish in Evanston), GLOW, Faith on Fire

**Senior Reflection:** Holy Family allowed me to discover my faith for the first time. When I attended K26, I instantly felt like I was a part of the family here. Even though I had almost no prior experience with religion of any kind, Holy Family took me in with open arms. I am forever thankful for my K26 leaders, Anne Bosslet, and the rest of the community. I will greatly miss the entire Holy Family.

### **Erin Cunningham**

**Senior Reflection:** Holy family has been my home for the last 18 years. The people there have watched me grow and guided me and supported me with my faith journey with all of its ups and downs. I have grown to be a leader with all of the opportunities available. I have been inspired by the adults in my life and the children I have worked with and shared with their faith journeys. By working with my own faith class and my GLOW small group I have been more passionate about the meaning of faith and I'm how Jesus presents himself to us. I see Jesus with Melanie Tomal a family friend that has guided me through my faith class to confirmation. She is always a listening ear and helps me get through doubts I have in my faith.

## **Heather Sloan**

**Plans after Graduation:** University of Illinois at Urbana-Champaign, Social Work, Spanish

**Senior Reflection:** There are so many things I'm going to miss about Holy Family. This place has given me a family. I've never been part of a church community like the one I've been apart of here. Being able to be a Kairos leader on K29 was the best experience of my life. I learned the impact I can have on people and how incredible it is to see God move within people. I was able to see people grow in their faith in ways I couldn't have imagined while I also was able to grow in my faith. Being a Kairos leader gave me a group of teens that always inspire me to be better Christians and better people. And of course through Holy Family I was able to meet my best friend, Ryan Kiobassa, my fellow G5 leader. Holy Family will always have my heart and will always be my home. I'm going to cherish every memory I've made here and I will continue to talk about how amazing this place is for the rest of my life. I'm also so glad I could experience Kairos and being part of the Holy Family community with my awesome mom, Joan Sloan, by my side through it all. I spent my senior year preparing for Kairos which also meant becoming best friends with the whole leadership team. Some of my favorite high school memories are eating snacks in the narthex, singing along with the band, making matching shirts, and even sleeping on the teen center floor. **Lucas Kozlowski**

**Ministry Involvement:** Peer Ministry, Kairos, Awaken and Faith on Fire
