Easter 2021

Now is the time for new life! We have been on a journey of urgency this Lent. The refrain and title of a song we have been singing, performed and written by Cyndi Lauper and Robert Hyman (Warner Chappell Music and Concord Music Publishing LLC) entitled "Time after Time" has marked the repetition of that urgency.

Time after time during the weeks of Lent we have focused with the statement *Now Is The Time...*

...for CHANGE

...to LISTEN

...to turn from greed to SOCIAL JUSTICE

...to BELIEVE

...to be SERVANT LEADERS

One of my greatest convictions is that God speaks to us through the talent and wisdom of our culture. Not everything about the secular world is good, but I believe that with prayerful reflection and activating our spiritual imagination we can hear God's voice speaking to us in various profound lyrics of popular music. This premise of mine is the bedrock for the Mass of Rock. I want to strongly suggest that messages from popular music can enrich our feelings for God and, as I often say, "Rock 'n Roll is the soundtrack of my life."

I have long felt and heard God speaking to me in the words of beautiful music, most often meant to convey feelings between people. It is the relational dynamic of many emotions that transcend one relationship or one dynamic into a realm of spiritual engagement with God.

If we use the words of scripture to articulate God speaking to us, we can also do so with

the words and images of our culture. If scripture is the inspired word of God, I can't help but feel that some of the powerful, passionate and tender lyrics of popular music are inspired by the same God.

So using Lauper and Hyman's words let us hear God saying :

*If you're lost you can look and you will find me,
Time after Time*

Being lost, looking for and finding a God who is looking for us is so consistent with the penitential theme of Lent and this happens...time after time.

As we gather to celebrate the light and new life of Easter this year, let us also hear God saying more through Lauper and Hyman's lyrics, and so beautifully performed for us by Gene Garcia and our other talented musicians:

*If you fall, I will catch you, I'll be waiting,
Time after Time*

Now is the time to celebrate Easter. Now is the time to embrace that God gives us new life and we can embrace it through the sacred combination of our faith and God's grace.

May I suggest that this Easter God is waiting for us to trust in the new life that comes only from Him. Let us be guided by the beauty, creativity and the best of our culture complementing the deep and rich stories of scripture and the strength of our tradition to join a very persistent God. God loves us, *time after time*. God forgives us, *time after time*. Christ beats death and suffering, *time after time*.

God is waiting for us to fully embrace this.

Happy Easter!

Preparing for Next Week...

We invite you to read the scripture readings for **April 11, Second Sunday of Easter**, and then reflect on these questions:

Gene Garcia

Liturgical Arts

The Liturgical Arts Community...

creates a vibrant prayer and worship experience so that all may participate in a fully conscious and active way in the liturgy. This includes different forms of prayer and worship experiences, for all attending Holy Family.

1. In the Early Church, believers were of “one heart and mind.” How does participation in the various ministries at Holy Family allow us to be of “one heart and mind”?
2. Many converted during the Early Church because the movement was remarkable. What is our role in keeping the Christian movement remarkable today?
3. Our second reading ends with: “The Spirit is the one that testifies, and the Spirit is truth.” How does the Spirit work through you?
4. When Jesus first appears to the disciples, he gives them the power to forgive sins. What might His reason be for doing this right away?
5. How do you relate to Thomas? Are there times when you have felt or expressed doubt? What brought you back?

SOCIAL JUSTICE QUESTION

In times of uncertainty, there are great doubters. What truth and wisdom do all Americans need to hear right now? What truth and wisdom do you need to hear right now?

Presented by Fr. Terry Keehan
Wednesday evenings,
April 21, May 5 and 19
7:00 pm-8:00 pm

Now is the time...as we begin to open up our world again...to build our spiritual imagination. What should we keep from our life before the pandemic? What should we surrender? What have we learned?

Join Fr. Terry as he explores three ways to move into the silence to begin to explore what is within our souls as we grow through challenges. Now is the time for new life!

To register for this Zoom gathering, contact Mary Whiteside at mwhiteside@holyfamilyparish.org.

Thanks to all who attended our Parish Mission, “Spiritual Practices During a Pandemic” with Jack Shea! If you weren’t able to attend, the recording of the webinar is available on the Holy Family website.

An Easter Prayer

Lord, we lift our hearts to you. As the dawn breaks, may we carry the unity we share into every moment knowing that we are one with the risen Christ.

Lord, we lift our eyes to you. As the sun rises, may this moment stay with us, reminding us to look for the beautiful colors of promise in your word.

Lord, we lift our prayers to you. As the dew air falls, may we breathe this morning in and know that like the earth, you sustain us, keep us and work within us always.

And so, we lift our voices to you. We celebrate the greatest day in history, when Jesus rose from death, defeated darkness and bathed the world in stunning resurrection light.

May we ever live to praise you!

Amen.

As Co-Founder and Director of Her Drive, Jenica leads the Host Your Own Drive Program and manages web design and volunteer coordination. An aspiring physician, she is passionate about eliminating healthcare disparities and hopes to provide reservations with free menstrual care.

"The experience of working on this project has been a whirlwind. The global support we have received has been overwhelmingly positive which has been especially heartwarming during these times. By offering the opportunity for young people to volunteer through our Host Your Own Drive Program, we have been able to form a community of people from throughout the US united under one cause. God's work has shone through the selflessness and dedication of all 600+ volunteers we have worked with."

THE STORY >

NON PROFIT LAUNCHED DURING THE PANDEMIC

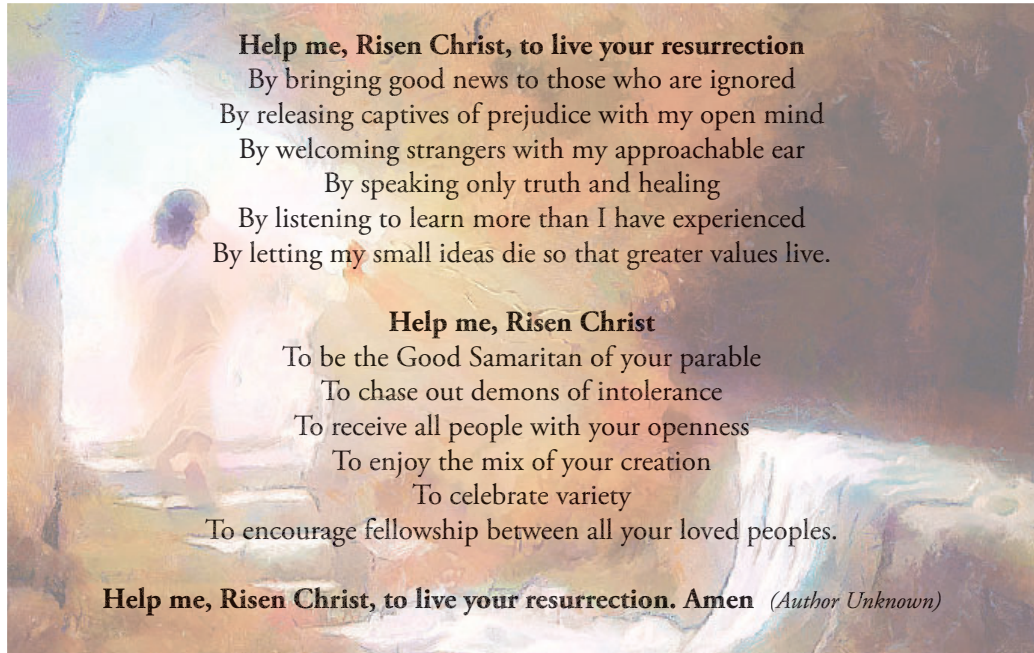

Limited access to general hygiene and menstrual care products is a public health issue. Launched in June 2020, Her Drive, CO. is a Chicago-based nonprofit organization that provides bras, menstrual care, and general hygiene products to people in need in an effort to combat period and hygiene poverty.

Lack of access to period products has damaging effects on an individual's ability to regularly attend school and work while simultaneously putting them at a greater risk for infections and other health concerns. In addition, bras are important in that they are necessary to meet standards of professionalism for job interviews and sports bras offer a source of comfort and storage for some.

The Human Concerns Community...
offers assistance with life's basic needs, spiritual and emotional support as well as additional resources with partners in our community while promoting mercy and justice by putting our faith into action.

Help me, Risen Christ, to live your resurrection
By bringing good news to those who are ignored
By releasing captives of prejudice with my open mind
By welcoming strangers with my approachable ear
By speaking only truth and healing
By listening to learn more than I have experienced
By letting my small ideas die so that greater values live.

Help me, Risen Christ
To be the Good Samaritan of your parable
To chase out demons of intolerance
To receive all people with your openness
To enjoy the mix of your creation
To celebrate variety
To encourage fellowship between all your loved peoples.

Help me, Risen Christ, to live your resurrection. Amen (Author Unknown)

Lenten Social Justice Project Thank you for your Participation

During Lent, Holy Family participated in the Catholic social teaching of **Solidarity** more intentionally by supporting The Little Sisters of the Poor at the St Joseph's Home for the Elderly in Palatine. The Little Sisters of the Poor are an international congregation of Roman Catholic women religious founded in 1839 by Saint Jeanne Jugan. Together with a diverse network of collaborators, they serve the elderly poor in over 30 countries around the world.

Thank you for your participation by supporting the Little Sisters with food, household, medical and financial donations. The Sisters and residents at St. Joseph's Home for the Elderly are very grateful for your compassion and continued prayers.

Thank you to all donors supporting the **Easter Assist-A-Family** and virtual **Holiday Sharing** programs targeted to assist our disadvantaged neighbors. Your generosity and kindness goes a long way in providing an Easter that brings hope and solidarity.

5 GREAT REASONS to Patronize the Merchants in Our Church Bulletin!

1. They support the work of our church.
2. It keeps money in our community. For every \$100 spent at a locally owned business, \$68 goes back into the community and your tax base. For every \$100 spent at a chain store, only \$43 comes back. Online purchases bring nothing back to our local community.
3. Keeps our community unique. Where we shop, where we eat and have fun—all of it makes our community home. Our one-of-a-kind businesses are an integral part of the distinctive character of our community.
4. Creates more good jobs. Small local businesses are the largest employer nationally and in our community.
5. Get better service. Local businesses often hire people with a better understanding of the products they are selling and take more time to get to know customers.
