## Grace

Last week's gospel inspired me to reflect on the pervasive, persistent nature of God's grace. Even the people who know Jesus best, his family and those in his hometown who know where he came from and his identity as a carpenter and that he is "one of them," are perplexed at the mighty deeds he performs. They end up taking exception with him. They have actually put him in a box and relate to him with limited faith based on what they THINK they know. Their lack of faith amazes Jesus.

Perhaps that is not so unfamiliar to us as we limit our faith or experience of someone or something, placing them in a box based on limited knowledge.

What moves us out of the box? GRACE. It opens us up with its pervasiveness and persistence. It urges us to believe in God as well as to know him.

As Catholics we have a long history of regulating grace. We often approach it as something we must earn. Even that limits God's grace. It places it in a box.

This week's passage from Mark tells us that Jesus commissions the disciples. He sends them out and they preach, they are a force to challenge evil, they are focused, they are able to heal – all because Jesus has given them authority.

All of this opens them up to receive the grace of God that moved them out of a box that saw them as fishermen who were not sure what Jesus was asking them, who were repeatedly reprimanded by Jesus perhaps because they thought that they "knew" him. A simple way of stating this is that God's grace, through Jesus Christ, met their willingness to go out, and the result was far beyond what they thought they could accomplish, far beyond the box they were in prior to this commissioning.

## Adventures in Grace: A Pilgrimage

I believe that we are in a unique moment in history and in the history of Holy Family. As we recover from a pandemic and look to our future strategically, our staff, leadership and parishioner councils

have urged us to move forward with several initiatives. Perhaps the most important is to re-engage existing parishioners and to engage new members to join our community, meaning to become more invested in our mission. We have such a strong history of vitality that has led us this far. We must continue to build on that strength, and look to the future with renewed vigor and creativity evolving into an even more vibrant community.

Please familiarize yourself regularly with our revised mission statement available on our website and in our bulletins and soon to be displayed (as our current one is), above the entrance to our church and in our multitorium:

**Our mission is to empower all to experience new life in Christ through sacramental living, transformative worship, lifelong spiritual growth and community in service to others.**

One initiative to fulfill our mission is a yearlong program of spiritual renewal entitled, **Adventures in Grace: A Pilgrimage**. This initiative is being supported by your generosity in our recent Providing for Our Family's Future Capital Campaign. It is a collaboration with Soul Play, a unique ministry led by Terry Nelson-Johnson and Laura Field. Terry and Laura are the driving forces behind the Beloved Retreats that we have held in partnership with them for the past several years and they are leaders at Old St. Patrick's parish in the city.

I am asking ALL of you to be attentive to the details of this pilgrimage that will be introduced this summer and begin in earnest on the weekend of September 25 and 26. I am asking ALL of you to invest in this parish wide initiative of renewal. I am asking ALL of you to participate. I am asking that you make this a priority to the extent that you replace some of your existing ministry activities or programs with the ones offered by this Pilgrimage, or meld them with your programs.

This is a time of starting over, opening up and reshaping much of our lives post-pandemic. We are ready to re-engage and I believe the time is now for Holy Family to re-engage our faithful contingent and to reach out to engage newcomers.

## Preparing for Next Week...

We invite you to read the scripture readings for **July 18, Sixteenth Sunday in Ordinary time**, and then reflect on these questions:

Gene Garcia  
Director of  
Liturgical Arts  
847-907-3434  
ggarcia@  
holyfamilyparish.org

### The Liturgical Arts Community...

creates a vibrant prayer and worship experience so that all may participate in a fully conscious and active way in the liturgy. This includes different forms of prayer and worship experiences, for all attending Holy Family.

1. The Lord warns in the first reading: "Woe to the shepherds who mislead and scatter the flock of my pasture." Who are these shepherds who mislead and scatter the flock today?
2. Who has been a good shepherd in your life?
3. In the second reading, Paul encourages unity and peace to those near and far. How well are we doing this outside of our community? What could we do better?
4. Jesus encouraged his apostles to: "Come away by yourselves to a deserted place and rest a while." Is finding a quiet place or time part of your spiritual renewal?
5. When Jesus went ashore, he began to teach the people many things. What new things is Jesus teaching you?

### SOCIAL JUSTICE QUESTION

How does your ministry of serving others parallel to that of the Good Shepherd?

**7:30am Sunday Mass resumes TODAY!!**  
**Welcome back, early birds!**

## Volunteer Opportunities

We have an urgent need for Ushers and Greeters for Baptisms, Weddings and Funerals! Weddings are on Friday evenings and Saturdays and are always scheduled in advance. Baptisms are scheduled in advance twice a month at 11:00 am on Sunday mornings during April and May and beginning in June the time will change to 1:00 pm.

You can sign up to serve for one ministry or multiple ministries. For more information on this opportunity please visit the website.

## Care for God's Creation

We show our respect for the Creator by our stewardship of creation. Care for the earth is not just an Earth Day slogan, it is a requirement of our faith. We are called to protect people and the planet, living our faith in relationship with all of God's creation. This environmental challenge has fundamental moral and ethical dimensions that cannot be ignored.

The environment is God's gift to everyone, and in our use of it we have a responsibility towards the poor, towards future generations and towards humanity as a whole. . . Our duties towards the environment are linked to our duties towards the human person, considered in himself and in relation to others. It would be wrong to uphold one set of duties while trampling on the other. *Charity in Truth (Caritas in Veritate. . . )*, #48, 51

Man, who discovers his capacity to transform and in a certain sense create the world through his own work, forgets that this is always based on God's prior and original gift of the things that are. Man thinks that he can make arbitrary use of the earth, subjecting it without restraint to his will, as though it did not have its own requisites and a prior God-given purpose, which man can indeed develop but must not betray. Instead of carrying out his role as a co-operator with God in the work of creation, man sets himself up in place of God and thus ends up provoking a rebellion on the part of nature, which is more tyrannized than governed by him. *On the Hundredth Year (Centesimus Annus. . . )*, #37

## Holy Family to Host Drive-Thru Summer Meals Program through September

Holy Family will host a drive-through Summer Meals Program the 4th Monday of each month through September from 6:30-7:30pm for anyone in need of a meal. Many volunteers are needed to donate food as we have committed to serve about 120 people. Sign up to bring food items listed on Carecalendar by visiting [www.carecalendar.org](http://www.carecalendar.org); ID 134413 Password 9236. Fully-prepared food needs to be dropped off at Holy Family (door 20) between 5:00-5:30pm. Contact Dawn with questions at [dawn.m.wagner@comcast.net](mailto:dawn.m.wagner@comcast.net).

## Back to School Holiday Sharing Tags

**It's only early July, but the beginning of the school year is not that far away.** Holy Family is committed to serving individuals in need through the Holiday Sharing Tag program. Instead of the tags hanging in the narthex, these "tags" will be listed on Sign Up Genius on our website - [holyfamilyparish.org](http://holyfamilyparish.org) - under Volunteer Opportunities.

As we have done in the past, we will be supporting children from these local agencies - Hopeful Beginnings, Catholic Charities and WINGS. We will be collecting items listed on the Sign Up Genius. **They are due back to the parish by July 18th.**

Your backpacks with school items can be dropped off in the hallway by the chapel during parish regular hours of operation and at Mass times. More details are on Sign Up Genius. Your school supplies for children in need will surely be a welcome gift for this upcoming school year in the fall.

**5 GREAT REASONS to Patronize the Merchants in Our Church Bulletin!**

1. They support the work of our church. ....
2. It keeps money in our community. For every \$100 spent at a locally owned business, \$68 goes back into the community and your tax base. For every \$100 spent at a chain store, only \$43 comes back. Online purchases bring nothing back to our local community.
3. Keeps our community unique. Where we shop, where we eat and have fun—all of it makes our community home. Our one-of-a-kind businesses are an integral part of the distinctive character of our community.
4. Creates more good jobs. Small local businesses are the largest employer nationally and in our community.
5. Get better service. Local businesses often hire people with a better understanding of the products they are selling and take more time to get to know customers.
