Letter from the Director

Dear Catechists,

We have been on a quite a journey over the past two years, one filled with unique challenges and blessings, and the adventure continues. It is time for us as the Holy Family Catholic Community to reset, reconnect and reignite! This is our calling as *Christ's Church*; to trust in God's love, sharing with others our sure and certain belief that **God works for our good "in all things"** (Romans 8:28).

Every year at this time, we focus on reconnecting with our Family and Teen Faith families. This year, however, it is more important than ever to do so. The isolation and uncertainty of living with COVID has taken a toll on all of us. Yet, the power of our shared faith in God's goodness has sustained us, and carries us forth into a time of amazing grace. A time of reimagined possibilities for what it means to be Christ's beloved disciples in the world.

"What eye has not seen, and ear has not heard, and what has not entered the human heart, God has prepared for those who love him." 1 Cor. 2:9

The entire FTF staff are deeply grateful for your willingness to embrace the young people of our parish community and their families. Sharing your faith with them, during such a critical time, is a real gift. We look forward to the opportunity and privilege, to work alongside you, and see the hope and joy your generosity inspires.

"And we, who with unveiled faces all reflect the Lord's glory, are being transformed into his likeness with ever-increasing glory, which comes from the Lord, who is the Spirit." (2 Cor. 3:18)

Faith begins with an encounter with the living God; It is sustained in the shared hope and loving embrace of Christian community. The energizing presence found when we gather as a Holy Family, is something we have sorely missed. As catechists, you will help, not only the young people and families entrusted to your care, but our parish community as a whole, reconnect with the welcoming and revitalizing spirit that is Holy Family.

Thank you for being such lively conduits of God's grace. I, for one, cannot wait to be part of this great adventure with such marvelous fellow travelers as you!

Respectfully,

Peg Hanrahan

Family and Teen Faith Mission

To cultivate Catholic disciples of Jesus Christ, by welcoming and involving children, teens and their families into the Holy Family faith community, nurturing their spiritual growth, challenging and empowering them to live Christ's mission.

Vision Statement

We are committed to making our Catholic Christian faith come alive in the minds, hearts and actions of all family members.

Recognizing that we live in an ever-changing society, FTF will strive to help our families

- *Become increasingly more aware of God's presence in their lives.*
- *Cultivate a sense of wonder and reverence;*
- *Know the foundations of the Catholic faith;*
- *Appreciate and act on the essential link between worship and catechesis.*
- *Respond to the challenge of the Gospel being aware of our Christian responsibility to participate in acts of service, mercy, charity, justice and peace in our local and global communities;*
- *Recognize the dignity of each person and appreciate the diversity among people;*
- *Make effective life choices guided by our faith.*

Catechist Formation

Our own growth in faith and personal devotion is a compelling witness. Walking the talk makes a lasting impression. We must be true to the Word we teach.

Catechist Formation is more essential that we often think. It renews our Spirit, refreshes our vision challenges us to grow and affirms the value of our work.

Check out **The Catechist's Place** – <https://www.holyfamilyparish.org/the-catechists-place/> Here you will find lesson plans, additional teaching resources, forms you may need, pertinent Podcasts, webinars and videos.

Catechist Formation will be offered online. Catechists will meet periodically on Zoom.

The Responsibilities of a Catechist

All catechists share in the responsibility of carrying out the mission of Holy Family Catholic Community and Family and Teen Faith. By their decision to serve Holy Family, they agree to support and to implement the mission. In doing so, they assume the role of ministers in the Church's work of Catholic education and formation and join with administrators, parents and youth in attempting to build a Catholic community. Specifically, a catechist shares in the ministry of the Roman Catholic Church to advance the mission by word and example. The invaluable contribution of catechists come not only from their giftedness, but also from their personal witness and public example as believers committed to the values inspired by faith.

Catechist Commissioning/Blessing – September 19, 2021 at the 9:00 am or 4:00 pm Mass.

Catechetical Sunday – Celebrated the third Sunday each September

Every parish in the United States celebrates the role that each person plays, by virtue of Baptism, in handing on the faith and being a witness to the Gospel. At Holy Family we will celebrate Catechetical Sunday through the following events

- ❖ Our first-ever multi-generational Family Mass
- ❖ Resumption of our Teen Mass at 4:00 pm
- ❖ The Commissioning of Catechists and HFCA staff members at the 9 am and 4 pm Masses.

A Catechist's Prayer

Loving God,

Creator of all things,
You call me to be in relationship with you and others.

Thank you for calling me to be a catechist,
for giving me the opportunity to share with others
what you gave to me.

May all those with whom I share the gift of faith
discover how you are present in all people and things.

May they come to know You, the one true God,
and Jesus Christ, whom You have sent.

May the grace of the Holy Spirit guide my heart and lips
so that I may remain constant in loving and praising You.

May I be a witness to the Gospel and a minister of your truth.

Amen

These easy-to-do ideas will bring families together to share what each member has learned about the Gospel that they heard on Sunday (and studied in class.) **Available in English or Spanish.**

[Sign up](#) to receive *The Gospel at Home* in your inbox.

❖ Classroom Kits

- **Handcrafted materials used in the Catechesis of the Good Shepherd** – made of various materials these kits allow individual and groups of children to imaginatively engage with key stories and concepts of the faith
- **Mindfulness activities** –
MP3 guided meditations, storytelling recordings, coloring activities, sorting activities, scripts for catechists to lead mindful movement exercises, etc.

Adam's Apple students are not required to make-up missed classes. However, sending home the Pflaum handout, worksheets you've prepared or crafts children can do at home with another parent or school friend with a post-it saying 'We missed you' or 'Hope you feel better' is a nice way to affirm kids and parents.

EVAGELIZATION CAN BE VERY SIMPLE!

Gathered at Table (Grades 1 thru 6)

Finding God 2021 (parish edition) published by Loyola Press based on Ignatian Spirituality.

Ignatian spirituality is a spirituality for everyday life. It insists that God is present in our world and active in our lives. It is a pathway to deeper prayer, good decisions guided by keen discernment, and an active life of service to others. (For more see <http://www.ignatianspirituality.com/what-is-ignatian-spirituality>)

Each grade level focuses on the same five major themes each year. This allows us to better connect what is done in the large group part of the lesson with what is being done in the classroom and that our grade 1-6 families can have a conversation about faith class and have all the children on the same basic page.

“As children are introduced to and revisit concepts and vocabulary from one year to the next, their knowledge and experience both broaden and deepen.”

Curriculum for this program: Finding God 2021 provides lessons in the faith and delivers those lessons through experiential activities that encourage lifelong practice of the Catholic faith. For more detail, see the publisher's website <https://www.loyolapress.com/faith-formation/finding-god/finding-god-2021/>.

The Catechetical Formation Series - an online training and formation experience for catechists and others seeking to deepen their knowledge and skills for faith formation and evangelization ministries. Developed by Joe Paprocki, D.Min., participants will be formed in areas critical to their vocation as a catechist: being, knowing, and doing. Access the Formation Series at <https://www.loyolapress.com/faith-formation/finding-god/finding-god-2021/>

PRAYER & WORSHIP

Good liturgy and good catechesis are partners

As Catholics, we understand that how we worship reflects what we believe and determines how we live. Catechesis and worship are both important aspects of the Christian life and promote a deeper faith journey. Both liturgy and catechesis seek to form persons in faith. What we learn through catechesis we practice in worship. What we experience in worship we reflect on in catechesis.

Human learning is contextual; without the interplay of worship and catechesis, religious faith unravels leaving the believer with large gaps in meaning and inhibits his/her ability to make sense of the ultimate questions of human life.

Tune in to

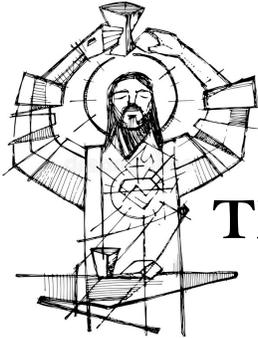

An exciting, innovative, and engaging way to bring generations together in the worship of God and the celebration of the Eucharist.

Watch our FM video at <https://www.holyfamilyparish.org/fm/> to learn more about the FM Experience.

Adam's Apple and Gathered at Table Families are asked to attend the 9:00 am Sunday FM **or** the 4:00 pm Teen Mass on the following Sundays as part of their Faith Formation.

- Sept 19, 2021 – Catechetical Sunday
- Oct 31, 2021 – All Hallows (9 am Mass only)
- Dec 5, 2021 – 2nd Sunday of Advent
- Feb 6, 2022 – 5th Sunday of Ordinary Time
- Mar 6, 2022 – 1st Sunday of Lent

TEEN MASS

The 4:00 pm Teen Mass is hosted by an **IGNITE** or **FLAME** class when in session. This is by design. We have intentionally focused on engaging junior high and high school teens through conscious participation in all aspects of this liturgical celebration.

- ✚ All of our IGNITE AND FLAME students are invited to serve as Greeters, Ushers, Cross bearers, Proclaimers, Gift bearers, Eucharistic Ministers (must be trained)
- ✚ Teens Gospel Reflectors please email a copy of your reflection to mcochran@holyfamilyparish.org by 5 pm the Wed prior to the Mass so it can be sent to the President.
- ✚ Hosting classes decide on a special intention to be remembered at that particular Mass during the Eucharistic Prayer
- ✚ Hosting classes write 1-2 of the intercessions for the Mass. Send your petitions to jpetrie@holyfamilyparish.org by 5 pm the Wed prior to the Mass.

★ **Catechist Note** - In the past years we have offered 20-22 class sessions each year. This year we are offering fourteen (14) class sessions and asking families to attend Mass together seven (7) times during the year. Please let your students know, these Masses are in lieu of additional class sessions and attendance will be taken.

Adam's Apple and **Gathered at Table** students will sit with their parents during these Masses. Catechists are welcome to attend FM or the Teen Mass, but only expected to attend the Mass on Sept. 19, 2021 (**Catechetical Sunday**) where they will be formally commissioned as catechists at the 9 am or 4 pm Mass.

Unlike previous years, PK-Grade 6 classes will not be hosting any of the weekend Masses.

Things catechists can do to promote prayer & worship

Build prayer and worship experiences into every class/small group session.

- Start every class with a passage from Scripture – ask your students to sign-up to choose a passage and read it at class. If they are young, suggest that their parents might help them.
- Use guided meditations
For grades 1-6 use meditation and scripture story CD's that come with your program
- Teach them about the rosary and say a decade and do a short meditation on one of the mysteries with them in class
- Teach them about Eucharistic Adoration and take them to the Adoration Chapel on occasion – be realistic about timing – 10 minutes once you get them there and settled is plenty for little ones
- Create a prayer service with your class and then have them invite another class or their parents or grandparents to come to it.
- Create a classroom intention book or box and have the kids write in special intentions they have each week

- Play Praise and worship songs in class when the kids are doing projects
- Use symbols in your prayer – a special candle, a cross, a little incense

Be proactive. If you need help let the Faith office know.

Share with your students why you go to Mass and why going is important to you. If you have peer ministers who go to Mass regularly, have them share their reasons for attending Mass. Personal witness is the most compelling teaching tool we have.

Invite your kids/teens to join you at Mass

Acknowledge the children/teens you teach and their families, when you see them at Mass

Stress to your kids/teens and their families how important worship is to the faith process and to you

Ask your students regularly who has been to Mass.

- Do not chastise or shame those who do not attend, remember their attendance often is dependent on their parents attending worship
- Affirm those who do worship regularly. Ask them why they do. If they say their parent makes them, ask them if they know why their parents do that. If they don't know have them ask their parents and report back to the class.

Encourage all your students in

- Grades 1-6 to join the Children's Choir or be a Cantor – they sing at the 9 am Family Mass.
- Grades K-4 to attend the Children's Liturgy of the Word, held during the 9 am, 11am Mass
- IGNITE and FLAME to join the Teen Band and choir for the 4 pm Mass
- If you are a catechist in the Sunday evening program we ask that you attend the 4 pm Mass on Sunday, if possible.

Catechists, if you need assistance with Prayer & Worship experiences please reach out to ferlita@holymfamilyparish.org or mcochran@holymfamilyparish.org

Serving as a liturgical minister at any of the weekend Masses is one way IGNITE and FLAME students can earn service hours.

CHRISTIAN SERVICE & OUTREACH

Jesus makes serving others central to the Gospel

The Biblical teaching on servanthood, found in both the Jewish and Christian testaments, is a condition of righteousness. Christ made this teaching a central tenet of the Gospel and a condition of discipleship. Serving others is not optional for the follower of Christ.

Serving the Lord and one's neighbor, particularly the poor, is at the heart Jewish and Christian morality. Jesus and the Old Testament prophet are clear - the plight of those in must stir us to action on their behalf.

'Lord, when did we see you hungry or thirsty or a stranger or naked or ill or in prison, and not minister to your needs?' He will answer them, 'Amen, I say to you, what you did not do for one of these least ones, you did not do for me.'

Matthew 25: 44-45

Being of service and then reflecting on the experience is the way we all learn to be servants. ***'Serve one another humbly in love'*** (Gal. 5:13), begins in the environment created in your classroom/small group. The way we treat each other is the immediate experience of service. Knowing the 'golden rule' is not enough. We must practice the golden rule, making it the norm not the exception.

In addition to how you facilitate a culture of service in your classroom/small group, we offer the following activities

 **Service projects and experiences of outreach to those in need for all grade levels**

- Encouraging our students and their families to put their faith into action through service
- Offering a variety of service opportunities both within and outside of classes

 **Presentations on the biblical and Church teachings on Christian service and outreach** In large and small group sessions

 **Time to reflect on our experiences of Christian service to glean the insights that will shape our discipleship**

- Service is not a means to an end; it is a way of life for the disciple.
- Christian service arises out of another's need and calls us to sacrificial loving.
- Service is rarely convenient.
- Engaging in service can make us more aware of our good fortune and our ability to make a difference. Yet it can also overwhelm us making us come to terms not only with our abundance but with our very real limitations. It can set-up a tension within us, challenging our own attachments and entitlements. These are the more important insights to be gained from a life of service. This is where we will meet the living God who came not to be served but to serve.

Let us know if you or your students have an idea for a service project. We will do whatever we can to support you. If it involves going off campus you must have parents sign a Holy Family permission/medical release form. If you want to use the Holy Family Van to transport your class, please reserve it through a FTF staff member.

Discipline and Discipleship

The Latin root of our word discipline is ***disciplina*** means teaching/learning. It is also the root of disciple, one who follows and learns.

Baptism does NOT make us members of God's family it makes us disciples of the one crucified and risen.

“Go and make disciples of all nations, baptizing them in the name of the Father, Son and Holy Spirit.”

Disciples learn and practice certain disciplines

We want to create a space where children/teens can grow in discipleship. We want to sustain a Catholic parish, which is welcoming, safe, and promotes life-long learning in our faith. As catechists and staff, it is our goal to reflect our Christian values in all that we do and to support and guide the children to do the same.

Cultivating the discipline of respect

Respect is an essential value/discipline for building, nurturing and sustaining healthy relationships. Respect should always be rooted in love not fear.

Ignoring or dismissing disruptive or disrespectful behavior is not an act of kindness. It only serves to reinforce negative behaviors. The gospel calls us not to reward disrespectful attitudes or actions. Disrespect always has consequences, (some intended; some unintended).

Not all disruptive behavior is rooted in disrespect. It is important to ascertain the root of disruptive actions in order to manage them.

Cultivating the discipline of empathy through recognition and praise

Taking time to give positive feedback to children/teens and their parents by praising a student's behavior or contribution

- Builds trust
- Contributes to self-worth
- Develops moral agency
- Creates new possibilities

Recognizing and acknowledging the good, affirmation and encouragement as well as forgiveness are disciplines/practices of Christian disciples, outlined in St. Paul's letter to the Romans (chapter 12)

"Let love be sincere; hate what is evil, hold on to what is good; love one another with mutual affection; anticipate one another in showing honor... Rejoice in hope, endure in affliction, persevere in prayer. Contribute to the needs of the holy ones, exercise hospitality... Rejoice with those who rejoice, weep with those who weep. Have the same regard for one another do not be haughty...Do not repay anyone evil for evil; be concerned for what is noble in the sight of all.

- Establishing expectations, rituals and routines with and for your class/small groups will facilitate the development of constructive behaviors and practices that lead positive discipline.
- Clear and concise communication of expectations and procedures teaches disciples how to grow in discipleship
- Consistently practicing what the class/small group has committed to facilitates growth in discipleship.

Discipline with dignity

At all times, guide a child/teen's behavior with words and actions that convey respect and care for the child/teen. This begins with establishing clear expectations and classroom/group routines and communicating them to both students and parents. Behavior issues substantially diminish or if eliminated, once the child senses cooperation between the catechist and the parent(s),

1. Be direct about your expectations. Share with the students why you hold these expectations. Getting student input in classroom rules increases compliance. In the first few weeks of class draft a class covenant or engage in a discussion with your students about what you expect of them and what they can expect of you. Make sure each student and parent has a copy of the class covenant or classroom rules the group has agreed on.
2. Affirm and praise words and actions that contribute to group function
3. Give frequent reminders to students about what comprises appropriate behavior

4. Give three (3) warnings to any student who engages in inappropriate behavior. After the third classroom warning send the student to the nearest Hall Monitor. The Hall Monitor will contact a FTF member to discuss the behavior with the child/teen. Either the student will be walked back to your classroom by the staff member or the parent contacted and asked to pick-up the child/teen. The catechist will be asked to contact the parent and give the specifics of problem.
5. If a second call is required, give the student's name to the Associate Director for follow up.
6. After two calls, the parents will be required to meet with the Director and/or the Pastor.
7. If further action is necessary, parents and students will meet with the Director of the Family and Teen Faith program and/or the Pastor to try and discover why the child cannot respect the Code of Behavior.
8. Suspension from the Program is the last resort.

No catechist, aid, peer minister or hall monitor should ever engage in

- Any form of corporal punishment – Catechists will NEVER employ corporal punishment, or inflict physical abuse with respect to anyone with whom they might work, or the youth with whom they might come in contact.
- Any behavior that would/will endanger the health or safety of a child/teen (this includes leaving children unsupervised)
- Belittling or humiliating a child/teen
- Blaming or shaming a child/teen
- Using sarcastic or cruel humor
- Negative labeling
- Harassment

All behaviors and practices have consequences.

- Allowing a child/teen to be chronically disruptive or disrespectful is not helpful to them or to the rest of your class and only reinforces the behavior and the attitude that sustains it.
- Thoughtful and early intervention prevent negative behaviors from continuing or developing into patterns of disrespect.
- If you want or need assistance in developing an intervention please reach out to other catechists or one of the FTF staff.
- Please copy the Faith Office or alert them that you are sending a text or calling a parent.

Cultivating the discipline/practice of stewardship

The Biblical teachings on stewardship include the disciplines/practices of both caring, generosity which are the infrastructure on which the common good is built and maintained.

Sharing space and resources

- **We share classroom space** with each other, the Holy Family Academy and other parish ministries. We must be good stewards of not only our space, but of equipment and teaching tools, we also share.
- **Leave your rooms in good order.** FTF will provide Catechists and members of the HFCA faculty with each other's email contact information. Be proactive. Timely and respectful communication will eliminate or reduce the hard feelings that can arise when sharing space.
- **If your room is not in good order when you arrive** let a FTF staff member or one of the Hall Monitors know. It is helpful if you can take a photo or two with your cell phone and email or text it to Dr. Peg or Laura Ferlita.
- **Catechists are responsible** for the order and cleanliness of their classrooms and for the care of parish equipment in their use during class time. New updates to our technology across the campus means

catechists have greater access to Wi-Fi connections, smart boards and projectors, moveable carts with laptops, projectors and speakers.

General guidelines for the care of classrooms – please review these guidelines with your students frequently.

- **No class should ever be left alone without adult supervision** – if you need assistance please send one of your children or Peer Ministers to the Hall monitor who will get you additional adults to assist you.
- **Food or drink in designated spaces only – never in a HFCA classroom.** This is a health safety issue as well as a cleanliness issue. Many children today suffer from food allergies. Even trace amounts of a substance can trigger a severe allergic reaction. If your group would like to have food on occasion, please speak with someone in Family and Teen Faith for an appropriate meeting location.
- **FTF student should never go into desks, lockers, closets, drawers, cabinets, etc.** belonging to other individuals or groups. Faith students who do so will be fined \$10.00 for the first incident, \$25.00 for any incident thereafter.
- **No Graffiti or destruction of property** - Any student responsible for any unauthorized marking or drawing on parish property will be required to make restitution for the restoration of the damaged property.
- **Put all trash in wastebaskets.** If you do an art project please put all supplies away, wipe down the surfaces you have used, clean up scraps on the floor.
- **Lights should be turned off, windows and doors closed** when the room is not in use
 - **Please erase whiteboards** and take anything you brought into your classroom with you (or store it in the Faith cabinet). Lock the Faith cabinet before leaving the classroom.
- **Custodial personnel clean the classrooms.**
 - Please make requests for maintenance assistance by e-mail to Marta, mrobak@holyfamilyparish.org. If you are doing a project where additional cleanup is needed, i.e. vacuuming, let Marta know so we can let the Maintenance staff know.
 - Faith classes have access to a locked cabinet for storage in the classroom they use. Be aware that if two Faith classes share that classroom, the catechists share the cabinet space. Each catechist is issued a key.
 - Personal property is the responsibility of each catechist and is NOT the responsibility of the Parish or Family and Teen Faith Office. Lost or stolen items are not the responsibility of the parish and, thus, will not be replaced or reimbursed.
 - iPods, cell phones, iPhones, electronic games, laser equipment, etc., brought into the building, are to be turned-off and kept out of sight, unless the catechist has requested them to be used during class.
 - The parish accepts no responsibility for any of these items brought into the building. If used inappropriately during Faith classes, please confiscate these items for the duration of the class. If it occurs repeatedly, confiscate items and turn them into the Faith Office, along with the name of the student, it belongs to and the Faith Office will arrange to return such items a parent.

Do not change the location of your class meeting space, without prior approval from the Faith Office. This will avoid conflicts when using alternate spaces and more importantly Family and Teen Faith staff will know where all catechists and children/teens are in case of an emergency.

Bathrooms

If possible, remind your students to take care of their bathroom needs BEFORE class starts. However, should the need arise during class, you will find a BATHROOM PASS in your bin. Allow students to go ONE at a time with the pass. Upon his /her return, you may send another child.

If you teach PK-2, you may want to build in a Bathroom break for the entire class. You must accompany the class in that situation.

Reminder: Catechists / aides should **NOT** accompany children **INTO** the bathroom. Hall monitors will

supervise the bathroom hallways. Catechists need to be aware if a student from their class does not return from the restroom in a reasonable amount of time. Keeping everyone safe is a priority. Unsupervised children/teens are not always mindful of their own or other's safety.

Family and Teen Faith Program Protocols and Procedures

Attendance

Taking attendance is a safety issue. Student attendance records are considered legal documents and can be (and have been) subpoenaed. Each catechist is responsible for each of the students listed on his/her class roster during each small group session. It is essential for liability reasons, that the catechist takes accurate attendance at the beginning (within the first ten minutes) of each small group session.

1. Please turn in your weekly attendance sheets at the end of the session.
2. **Parent(s) are to sign-in and out all PK-4 students in grades** on roster sheets provided by the Family and Teen Faith Office. Do not dismiss any student early from class unless a parent is there to pick him/her up.

Parents who wish older siblings to pick up a younger sibling at the end of class must sign a Liability waiver. We will indicate which students have waivers on your roster.
3. We expect children/teens to be on time and remain for the entire length of the session.
 - **Late Arrival** – All students arriving late to class must present a Late Arrival Slip. Note the time the student enters your classroom on your attendance form.

Parents and/or students can get a Late Arrival Slip from the Lead Hall Monitors. Parents must walk their Pre-K thru Grade 4 children to the classroom and sign them in. Do not admit late students without a Late Arrival Slip
 - **Early Dismissal** – Parents must inform catechists prior to the class session if their child/teen will be leaving early from class.
 - Do not dismiss students early from your classroom if a parent has not contacted you prior to the class or the parent is there to pick them up.
 - Parents must pick-up and sign-out their Pre-K thru Grade 4 children
 - Students in grades 7-10 who are leaving early must get an Early Dismissal Slip from their catechist and turn it into the Hall Monitor in the Narthex before exiting the building.
4. Ongoing communications with the parents from the Family and Teen faith office will happen if attendance is an issue.

Catechist Absence

1. All PK- 6 catechists should report their own absences by calling or emailing Laura Ferlita at 847-907-3436; lferlita@holymfamilyparish.org as soon as possible before your scheduled class time, so that substitutes can be contacted and have time to prepare the class.
2. IGNITE and FLAME Catechists should call Maureen Cochran at 847-907-3446; mcochran@holymfamilyparish.org as soon as possible before your scheduled class time. Peer Ministers may run a FLAME or Ignite small group **only** if there they work as a team and Grant Guthrie has been notified ahead of time.

Substitute Catechists – The Faith Office will schedule substitutes when needed. We will provide them with all the necessary materials. We will send you the name and email of the person who will be substituting in your class. If possible, we ask that you contact that person prior to the class and provide them with any special instructions/tips you want them to have.

Contact with parents – regular contact with parents is expected.

- Make sure you have the correct parent contact information (email, phone)
- Make sure parents have your contact information and your preference when communicating with you regarding absences, early dismissals, concerns or questions they might have.
- Sending a short weekly email to parents about what you are doing in class and how they can help reinforce the lessons is helpful and appreciated. Please copy the Faith Office on any email you send.

Contact with students

- Parents should always be aware of your communication with their child/teen
- Do not engage in private contact with any child/teen. Private means completely outside of the sight and hearing of others, without any oversight.
- Do not "friend" any parish young people other than through group/organization sponsored web pages that keep everyone informed. It is not appropriate to "friend" a child/teen using your own personal account for any social media platform.
- If you email a teen copy the Teen Faith Office
- Be extremely careful of how and when you text young people using your own personal phone. Save copies of those texts. All communication with young people should have oversight from the Faith or Teen Faith Office.
- Do not give a child/teen your cell phone number or personal address.
- Do not exchange personal pictures/videos with young people.
- Be extremely careful about collecting a child/teen's personal contact information on your personal devices. Parents should know that you have such information and why. GroupMe and other mobile messaging apps used to keep a group informed are allowable. Once the project is completed, delete personal contact information of group members from your devices.

Classroom emergencies – If you need immediate assistance in your classroom, send one of your students or your co-catechist or parent aide to the nearest Hall Monitor who will get you help. Do not leave the children/teens in your care unsupervised.

Incident Reports – In your Catechist binder we have provided you with an incident report form (you can download additional copies from the Documents and Forms section on the Catechist website if needed). If an incident occurs in your classroom (a child gets ill, is injured or injures another student, or disrupts your class in any significant way, etc.) you must fill out an incident report. Turn in incident reports to one of the Family and Teen Faith staff members before you leave the building after class.

Student Behavior – Please review your expectations of your students and the expectations enumerated in the Handbook with your students at the beginning of the year and as often as seems necessary.

- Students are accountable and responsible at all times for their actions. Take suitable measures to ensure this. In support of the catechetical staff (Family and Teen Faith Staff members, catechists, aids, hall monitors, peer ministers), we expect the full cooperation of the parent community in reinforcing Faith Class and Parish guidelines. Failure by parents/guardians to cooperate as determined by the Director of the Family and Teen Faith program may result in the exclusion of the child from Family and Teen Faith classes and other activities.

Student Contribution to Code of Conduct

- Family and Teen Faith students in grades 1-12 will be actively involved in helping to create classrooms guidelines. During the first two weeks of class work with your students to create a *Class Covenant*.

Covenant is a central idea that that runs throughout sacred scripture. It is a significant idea that grounds the Catholic understanding of sacrament. There are multiple examples of covenants in both the Hebrew and Christian scriptures, each developed and nuanced in surprisingly rich ways. We want all the Faith students to understand what a covenant is and why it is important.

- A covenant is a sacred oath or promise; not a list of simple do's and don'ts
- Covenant is the way [God](#) has chosen to be in relationship with us and invited us to be in relationship to him
- Sacred scripture is a covenant document (testament is the Latin for covenant)
- Our sacramental symbols and rituals are the way we as Catholics express our fidelity to our covenant with God and with each other

Consequences

After creating your class covenant, discuss with your students what the consequences for inappropriate behavior will be in your classroom/group. The following is an outline that parents will receive in the **Parent Handbook** and what they can expect if it is necessary for you as a catechist to take action in order to control behavior that is disturbing the class.

The Parent Handbook is available on the parish website

Student Behavioral Norms

Family and Teen Faith is part of our parish's and the larger Church's ministry to children and teens. The mission and vision statements of both the Holy Family Catholic Community and the Family and Teen Faith Program guide all our actions. Establishing and maintaining *passionate community* is dependent upon mutual trust and respect among the catechetical staff and students. Community is an ideal toward which a group of people is continually working. Members of a community manifest concern for one another.

In our work with children and teens, we want to focus on the development of responsible behavior. The essence of Catholic Christian life is the formation of a personal value system, which acts as the motivating force of good self-discipline. Guiding students to construct these values is the major role of the parents and educators in our society. Children must learn, therefore, to accept the results of their behavior. When our actions cause disturbance or injury to others, or the reputation of our parish, there are consequences.

Holy Family's expectations for student conduct

If different, the following expectations will be in addition to the behaviors students and catechists outline in their class covenant. The Director of the Family and Teen Faith Program will review these expectations with students at the beginning of the year.

1. Students are not to engage in any behavior that would/will endanger the health or safety of themselves or any other person or persons.
2. No student is allowed to leave the Holy Family campus or grounds at any time during Faith classes (unless they have first attained permission from one of the Family and Teen Faith staff members).
3. Students are expected to stay in the designated areas of the Holy Family campus when participating in Faith classes and activities.
4. iPods, cell phones, iPhones, electronic games, laser equipment, etc., brought into the building, are to be turned off kept out of sight during class.

The parish accepts no responsibility for any of these items brought into the building. If used during Faith classes without the catechist's permission, these items will be confiscated. Arrangements for their return will be made with a parent.
5. The use of inappropriate language or gestures is unacceptable during the Faith classes or any Family and Teen Faith activity.
6. Fighting – altercations that result in physical contact – is strictly forbidden.
7. Forgery is not permitted. Students who forge a parent/guardian signature on any form/paper call into question their own credibility and trustworthiness.
8. Stealing is a direct infringement upon the rights of others is not permitted.
 - Each student has a responsibility to properly safeguard his/her own personal property.
 - The student also has a greater responsibility to safeguard the possessions of other persons.

9. Possession or use of cigarettes or smoking material by any student on the parish grounds or at a Family or Teen Faith activity is not permitted.
10. Drugs/alcohol/inhalants - Possession of or use of drugs, alcohol or inhalants in faith classes or at any family or teen faith related function, is absolutely forbidden.
11. Graffiti or destruction of property - Any student responsible for any unauthorized marking or drawing on parish property will be required to make restitution for the restoration of the damaged property.
12. Students are forbidden to possess, handle or transport any instrument, on or around the parish premises that is generally considered a weapon.

Examples include, but are not limited to, the following items: knives, guns, stun guns, pipes, chains, stars, blackjacks, explosives, fireworks or other hazardous chemicals. This is a very serious issue and can be deadly.

13. Threats of violence or violent actions are not permitted.

Students are never to use language that refers to any act of violence. No mention is to be made that would indicate any attempt at a violent act. Threats of violence should be reported to the Director, catechist, hall monitor, peer minister or parents.

14. Harassment – written, verbal, or physical, including cyber bullying is strictly prohibited.
15. Sexual Harassment is illegal under both state and federal law and is objectionable under any circumstance. Sexual harassment can be verbal, visual, or physical. Sexual harassment can take many forms: insulting sounds, noises, or words; offensive pictures, notes or objects; derogatory sexually-based humor or obscene gestures; unwelcome touching, pinching, deliberate bumping into another; suggestive remarks about a person's body, appearance, gender, or sexual orientation. Sexual harassment by an employee of a student, by a student of an employee, or by one student of another is unacceptable conduct. Employees or students who engage in any type of sexual harassment will be subject to appropriate discipline, including dismissal.
 - a. Retaliation in any form against an employee or student who exercises his or her right to make a complaint under this policy is strictly prohibited and will itself be cause for appropriate disciplinary action.
 - b. Any employee or student who knowingly makes false charges against an employee or a student in an attempt to demean, harass, abuse, or embarrass that individual shall be subject to the sanctions for misconduct set forth by the Archdiocese of Chicago and Holy Family Parish.

Responding To Harassment - If a student is harassed in any form, the student should tell an adult - a parent, a parish staff member, a catechist. Together they need to determine if the actions have gone beyond playful teasing (which is when both parties know that it is teasing and both parties agree that it is funny) and are now an act of harassment. Together we need to help the offending person know the consequences of his/her actions: for himself/herself and the person who has been harassed. The teacher handles ordinary classroom behavior. If a student is consistently out of order, the Director of the Family and Teen Faith Program is asked to assist. Parents will be informed in the event of serious or prolonged misbehavior. In most cases it is understood that the catechist will have privately discussed the student's behavior with him/her several times before parents are notified.

Options for Disciplinary Action in regards to serious infractions

The following potential actions are listed from minimum to maximum. This does not mean that the first time a student "gets into some trouble" that step one would be taken, the second time that step two would be taken, etc. This is only a list in the order of severity of possible consequences. Severe disciplinary cases will be handled individually on a case-by-case basis and the Director of the Family and Teen Faith Program in consultation with the Pastor has the authority to determine the consequence based on the situation.

- Catechist/Family and Teen Faith Staff member/Student have a conference

- Catechist/Family and Teen Faith Staff member/Parent/Student have a conference
- Student is fined (specified)
- Community Service is required (one hour)
- Restitution is required
- Removal from activities other than class (retreats, mission trip, service trips...)
- Suspension or Expulsion from the Family and Teen Faith Program
- Police notification may become necessary in extreme cases. Police notification will be mandatory for severe infractions involving weapons, destruction of property, and/or drugs and violent threats of action. Should the need for search and seizure occur, Holy Family would follow Archdiocesan guidelines in this area.

Elastic Clause

Holy Family Parish reserves the right to establish fair and reasonable rules and regulations for circumstances that arise and require actions that are not covered in this document. Matters omitted from this document should not be interpreted as a limitation to the scope of the parish's responsibility and, therefore, the parish's authority in dealing with any type of infraction that may not be in the best interest, safety, reputation, and/or welfare of the parish, its parishioners, or its staff members.

If any of the above mentioned behaviors are exhibited by a teen or child in your classroom:

- Bring the situation to the attention of a Family and Teen Faith staff member immediately, who will take appropriate action.
- You must complete an incident report on the same day that the problem occurs. If the behavior becomes habitual, a conference with parent(s) and Family and Teen Faith staff will be required.
- Knowledge of the contents of the Catechist Handbook is critical for all catechists. All catechists are expected to follow and enforce the rules written in this handbook.

Gifts

Catechists please do not give children or teens, gifts of more than \$5 each. Additionally, catechists please do not accept excessively generous gifts.

Service Requirement for Ignite and FLAME

IGNITE students are required to perform at least ten hours of service at or outside of Holy Family each year. FLAME students are required to perform twenty hours of community service per year.

It is the responsibility of the catechist to track these hours for the teens in their small groups.

The Family and Teen Faith office sets up opportunities in 8th grade with PADS, in FLAME 1 with Interfaith House, and in FLAME 2 with St. Leonard's House. Teens should be strongly encouraged to serve with their classes through these ministries, as we have worked with them for many years, because they provide a powerful experience of living out our faith. Additionally, when the small groups serve together, they build relationships within their small groups.

Holy Family's expectations for Catechist Behavior

As catechists, parents and staff, it is imperative to provide a positive role model for the families and children we serve.

- Alcohol – The use of alcohol while supervising children and/ or teens is not permitted. When attending parish events, please bear in mind that children/teens are witnessing adults' behavior; therefore any alcohol should be consumed responsibly.
- Drugs – The use of illegal drugs, or the use of prescription drugs beyond their intended purpose, will not be tolerated.
- Tobacco – The use of tobacco is not permitted on parish / school grounds.

The Pastor, or his delegate, reserves the right to respond in an appropriate fashion if any of the above mentioned guidelines are violated. The response may consist of one or more of the following:

- A written or verbal warning;
- A conference with the Pastor or Family and Teen Faith Staff;
- A referral to an outside counseling center;
- Dismissal from ministry.

Facilities Usage

The Director of Family and Teen Faith must approve all activities and functions for which catechists wish to schedule building use and time on the parish calendar.

- Facility request forms are available from the Faith Office and should be submitted at least one week in advance. The form must be signed by the *Director of Family and Teen Faith* (who checks available dates on the calendar) and forwards it to the Database Manager (who verifies equipment needs, etc.).
- All used areas should be cleaned up and reset to their original condition.
- Any catechist or small group using the building or any area of the building will be held responsible for any and all damage and will be assessed accordingly.
- The catechist or small group using the building must provide adult supervision at all times

CATECHIST SUPPORT AND ASSESSMENT

Observation

Our goal is to ensure the faith growth of children and teens. Catechists will be informally observed by a Family and Teen Faith staff member to evaluate their small group presentation(s). A member of the staff will provide feedback and discussion with the catechist concerning observation and evaluation.

Remediation Plan

In the event that a remediation plan is needed, one will be developed with the catechist. The plan will define the problem(s) and/or concern(s), cite acceptable outcome(s) based on evaluation criteria, specify objectives related to these outcomes, and identify procedures/resources that will be used in remediation. Further observation(s) of the catechist may be required. If necessary, the Pastor or Director of Family and Teen Faith may discuss with the catechist different ministry options within the parish, aside from catechesis. It will be up to the pastor to make the final determination.

PROTECTING GOD'S CHILDREN – Virtus Compliance

Sexual Abuse - In accordance with the law of the State of Illinois, the Archdiocese of Chicago and with the values found in our Catholic tradition, any form of sexual abuse, sexual exploitation or any other similar action is explicitly prohibited. Persons acting on behalf of Holy Family, its programs and activities are reminded of this prohibition. Contact of this nature is absolutely forbidden and is cause for immediate dismissal and referral to the local / state authorities, if appropriate.

SPECIAL NOTE: Holy Family and/or the staff will not assume any responsibility or liability for any person who inflicts bodily or personal injury consisting of or arising out of, corporal punishment, sexual or physical abuse, sexual exploitation, or any other similar act, harm, injury, or damage to any person in the care of its employees, or others acting in its behalf, whether or not committed by or with the knowledge or consent of any injured person.

Mandatory reporting of child abuse and/or neglect – The Archdiocese of Chicago requires that catechists be trained as Mandated Reporters. The training module for catechists on reporting child abuse and/or neglect is available online. There is no charge for this training.

To make a report of child abuse and/or neglect contact

The Department of Children and Family Services (1-800-252-2873)

Relative to the Policy Statement on child abuse and/or neglect:

As a condition of service, volunteers agree to adhere to the terms and conditions of the policy regarding mandatory reporting of child abuse and/or neglect and all the other stated implications of the policy for employees. Whenever one suspects abuse or neglect of a minor, he/she shall immediately report any evidence to the Pastor or the Director of Family and Teen Faith, who will then take the appropriate steps, which may include a report to DCFS (Department of Children and Family Services) and local/state authorities.

The report shall include any pertinent information, such as:

- the name and address of the child and his/her parents (or others having custody),
- the person's age,
- the nature of the person's condition, any evidence of previous injuries or disabilities,
- any other information which might be helpful in establishing the cause of such abuse or neglect, and
- the identity of the person believed to have caused such abuse or neglect.

Authorization and Background Check

The Archdiocese of Chicago requires all adults who work or volunteer with minors, in any capacity in parishes, schools and institutions operating within its jurisdiction, to complete the requirements of the "Protecting God's Children" program as follows:

1. A yearly authorization for Background Check by the Illinois Department of Children and Family Services(DCFS)
2. A one-time attendance to a VIRTUS workshop, available on line at www.virtus.org
3. Completion of ongoing monthly online continuing education sessions provided by VIRTUS
4. Adhere to the Code of Conduct (see above).

All requirements may be found on our website www.holyfamilyparish.org by clicking on the Children and Families tab and scrolling down to "Protecting God's Children." Because Holy Family Parish operates within the Archdiocese of Chicago, compliance with this Archdiocesan policy as outlined above is a condition of employment/ministry for all Holy Family employees and/ or volunteers.

Holy Family Emergency Procedures

Do not permit evacuation into the Courtyard.

Severe Weather—tornado, high winds

If a tornado siren sounds while in small group direct children/teens to safe, covered areas. Everyone must evacuate the worship space, Narthex, Chapel and all above ground rooms as quickly as possible.

Everyone should be directed to the lower level and the East (near rectory) & West (near worship) halls. Halls in the lower level (hallway outside Kindergarten classrooms) may also be used. Avoid areas with windows.

In the new Brennan Center, groups should head to the lower level and sit on the floor in corners away from windows. Wait for a staff member to come around and give the "All Clear". If a severe weather warning is in effect near the time of dismissal, we may request children to remain on campus before releasing them for the evening.

Fire

If the fire alarm activates instruct students to evacuate the building using the designated routes posted in each room. Please stand clear of the fire lanes.

Once out of the building, take attendance of your class to ensure everyone is safely out of the building. If a student is missing please notify a staff person or emergency responder immediately.

Remain outside of the building and do not let students leave until the **“All Clear”** is given by a staff person. If it is the end of the evening, please do not allow children to leave, even with parents, until the emergency is over.

“Lockdown” is used when there is a major incident or threat of violence within the parish, or in relation to the parish. In the event of a **lock down**, all staff and catechists should gather everyone in the immediate vicinity into their classroom or other secure area, but only if it is safe to do so. Once inside a secure area, catechists and students should:

- 1) Stay away from doors and windows;
- 2) Turn your classroom lights off
- 3) Hallway Lights will be turned off by staff;
- 4) Close blinds and lock classroom doors;
- 5) Take cover if available (get behind something solid);
- 6) Remain absolutely quiet;
- 7) Catechists take attendance;
- 8) No cell phone use unless necessary to communicate regarding the incident. Cell phones should be shut off or put on vibrate;
- 9) Staff will secure inside doors leading to classroom areas
- 10) Parish staff and maintenance should assist in securing **all** outside doors
- 11) Parents/guardians will not be allowed in the building until an official all clear is given. Parents/guardians must sign their child out after they are allowed to enter the building.
- 12) Note that during a lockdown if police are present they are in control and will inform the staff when it is safe.

Emergency bags are available in every room. If you leave your classroom take your emergency bag with you.
