

Sometimes, we don't realize that other people see our gifts. They get to experience our gifts and the good in us that we have been given by God.

Take a moment and **switch papers** with someone else in class. Think about this person and what gifts you have seen in them. It can be either a physical or mental trait like you listed above.

Three gifts I see in _____ are:

- 1.
- 2.
- 3.

If you are comfortable, **share with the class** one of the gifts that you see in your classmate. More likely than not, it's something they have seen too!

Switch papers back! Now read what your classmate has said about you. Think about this:

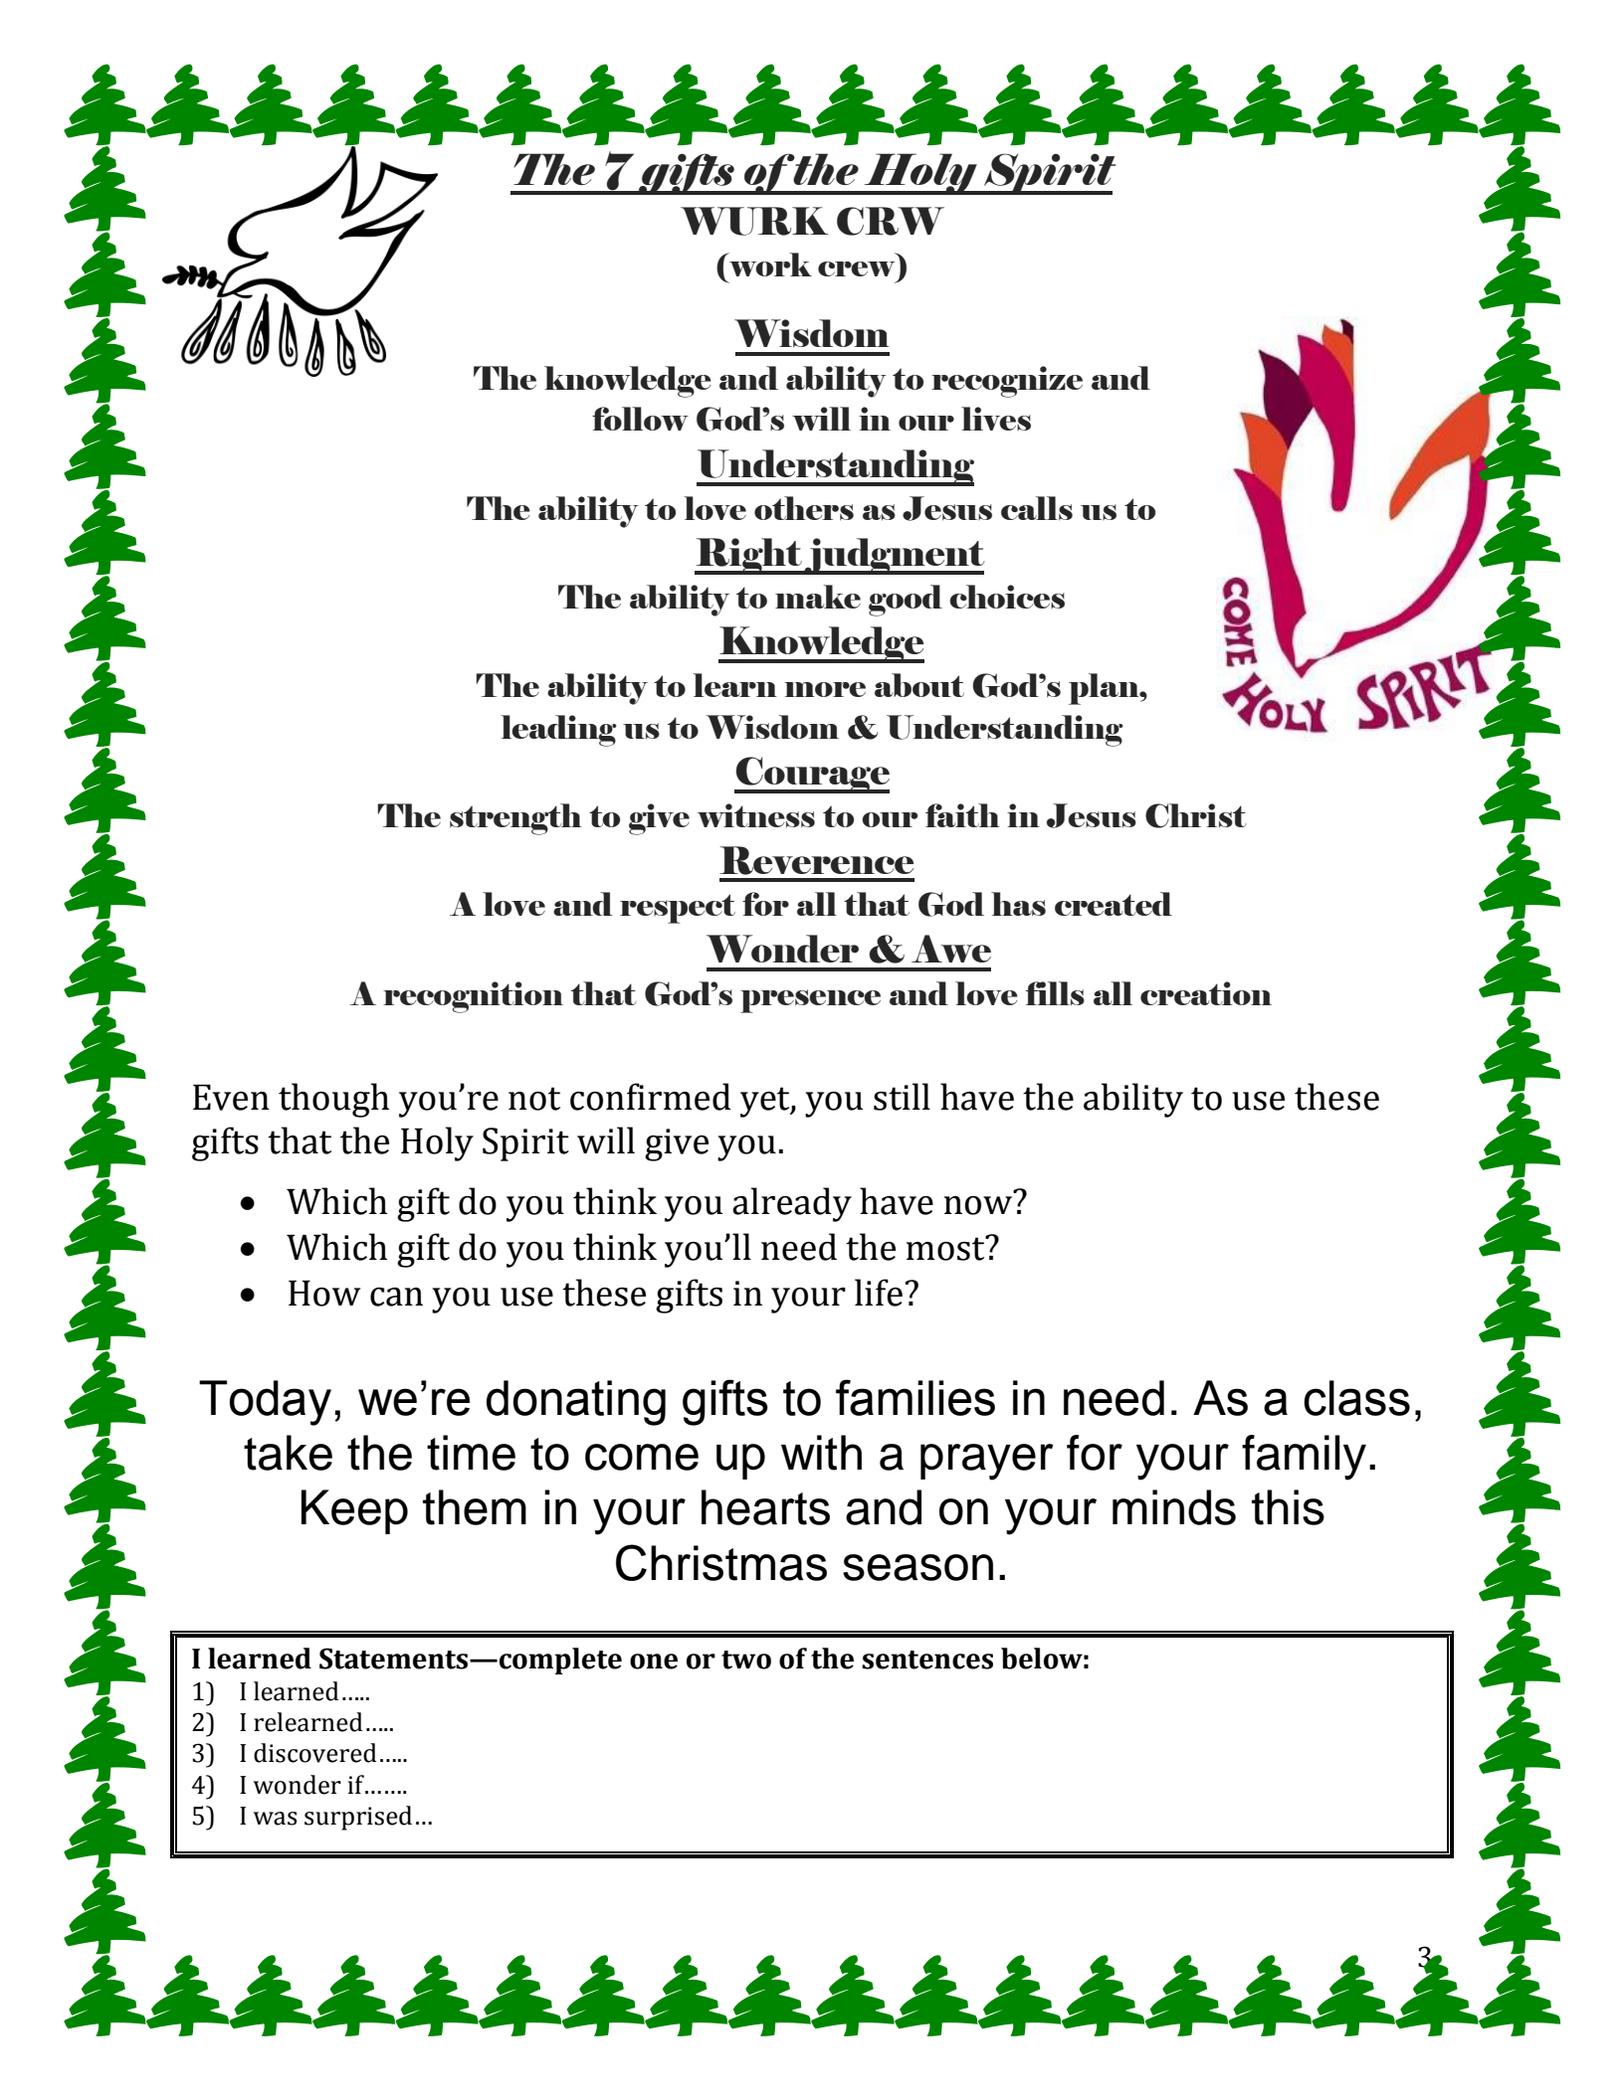

- Do you think you have the gift your classmate wrote down?
- Is this something that you hadn't seen in yourself?
- Is there a gift you have that wasn't written down? How can you show this gift more?

In addition to gifts that God gives us, we have also been given 7 gifts of the Holy Spirit. These gifts are bestowed upon us when we are confirmed and stay with us forever.

The gifts of the Holy Spirit are:

Wisdom
Understanding
Right judgment
Knowledge
Courage
Reverence
Wonder & Awe

What do you think these mean? (Try not to peek at the next page!)
