What I disagree with...

What I still have questions about...

## LETTER TO THE HEBREWS

What was the purpose of this letter being written? Why did the author take the time to write their thoughts down?

Turn to Hebrews 11:1

What does this passage mean? What does the author of this letter say that faith is? What does faith mean to them?

Glance through the rest of Hebrews 11. Who is mentioned as having faith? Do you recognize any of the names? Why did they need faith?

## Key Ideas

- Faith is personal. It's your choice what you believe. Your relationship with God is what matters.
- Hearing from authorities on the Catholic Church can be helpful and may help you to answer questions you have in your faith life.

# Let's Talk about it

1. If you had to wear an object around your neck at all times, something that would be attached to a thin chain or string, what would it be? How does this represent you?
2. If you could travel back in time to live through any one year or event in American history, which year or event would you want to experience? Why is this an important time for you?
3. If you could carve four new faces into the side of Mt. Rushmore, whose faces would they be? Why do you believe your choices deserve such a place of honor?
4. What important beliefs have you changed your mind in the past year? 5 years?
5. For FLAME 2, do you believe that you are ready to be Confirmed very soon? Why do you say that?
6. For FLAME 1, do you think that you are ready to get Confirmed next year? Why do you say that? What do you still need?
