## Baptism of the Lord 2022

Proof of Baptism is a requirement for Christians celebrating the Sacrament of Marriage in the Catholic Church. This is for all Christians, both Catholic and non-Catholic. It is part of the paperwork in the process of marriage preparation and acknowledges the unifying and universality of Baptism that all Christians celebrate. Proof of Baptism in the paperwork world is the most authentic verification that the person or persons, entering into marriage or other sacraments, were in fact baptized. This is all part of the Catholic Church's record keeping and, in some countries, baptismal certificates are key pieces of information in identifying details for the roots of ancestors.

The Catholic Church keeps very good records for many things but, perhaps most importantly, for the reception of sacraments.

A Baptismal certificate is, in many ways, similar to a driver's license and proof of Insurance that verify one's privilege to drive. Many of you are familiar with proof of identity or licensing in your chosen professional fields. However, there are significant differences in the simple verification purpose of a Baptismal certificate and other documents that are often proof of minimal requirements for participation or practice.

For us Catholics, the church of Baptism is the permanent keeper of all sacramental records. As subsequent sacraments are received, the Baptismal record held at the church of Baptism is updated. On the Baptismal certificate, often on the reverse side, are records of reception of First Communion, Confirmation, Marriage and Priesthood as sent from parishes where these sacrament were received. For example on my Baptismal certificate at St. Antoninus Church in Cincinnati, Ohio it is noted that I was ordained a deacon on April 20, 1985 and a priest on May 24, 1986.

Records are maintained by the church of Baptism and the keeping of these records is standard and consistent all over the world, in every parish, in every country. A Baptismal certificate can be obtained from any parish in the world. Baptismal records are always carefully accounted for if a parish closes or merges with another parish, and great care is taken to safely and securely hold Baptismal records in the midst of destruction of a church office through fire or other natural disaster.

Holy Family's sacramental records are kept in a fireproof filing cabinet on the property.

But a certificate of Baptism is just a start. It is verification of an event in the past. In our highly institutionalized Church, it can become simply a record and not a statement of identity or process.

My hope is that the adventure moment that we focus on this weekend at all Masses and this coming Wednesday at our base camp will vault off of the fact that we were baptized – into the world of... *Are We Baptized?* Terry Nelson-Johnson first introduced many of us to this difference when he preached here at Holy Family a few years ago and he will certainly embellish this notion this weekend and on Wednesday.

I have insisted that for each adventure we do not use church words that often minimize and institutionalize what happens in the grace adventures celebrated and realized in the sacred moments of life. Sacraments are continual illumination of the current of grace that runs through all life. Similar to electricity in our homes, grace is a current that is manifest when we turn on the light or appliance of realization or mediation. I appreciate the Church's recording of the big Sacramental moments, but I urge and challenge every one of you to identify, articulate and even record the sacramental experiences that you have experienced along the Pilgrimage way as well as, the person or agent of the mediation of that sacrament. These can be recorded in your Passports. Also, consider the statement "Hail \_\_\_\_\_, full of grace" to acknowledge sacred dynamics in our midst on a regular basis.

Because of my insistence on non-church language, this adventure will be called **DRENCHED**, not baptized. As only Terry Nelson-Johnson can do, we will be led pretty far out of the box of the experience of baptism and into the world of being DRENCHED by God's grace in the pool of all life. This experience will be one more expression of the strong pro-life stance that we advocate here at Holy Family.

The pool is not simply a font in church. The pool is ALL life, and ALL life is sacred. And because of the sacred gift of life that we have been given by God, we should not simply be dipped in life-giving water—we should be DRENCHED with its energy!

See you on Wednesday!

**A blessed and Happy New Year to All! Now: get ready to get "Drenched!"**

**This coming weekend, we'll dive into the next leg of our journey: "Adventures in Grace: a pilgrimage". This segment is all about exploring the concept of Baptism, well beyond the traditional sacramental ceremonial rite that comes to mind. Rather, we're going to explore how we can all engage in ongoing "baptism" in our everyday lives: renewing, cleansing, re-committing. And a new year is the perfect time to do this.**

**We invite all to join us for our next inspirational segment during weekend Masses on January 9th and 10th, and at our in-depth adventure on Wednesday evening, January 12th, 7-8:30 PM. Bring your Passports, invite others, and spread the word. All are welcome and anyone can join at any time. Go to our website at: [www.holyfamilyparish.org/aig](http://www.holyfamilyparish.org/aig) where you can learn more, register, and catch up on prior events you might have missed. You can also stop by our kiosk after Masses or reach out to any Holy Family staff member.**

**Safety first! We will be following all Covid-19 protocols for onsite Masses and events as we have been over the past year. Masks are required, and we will take extra steps to ensure safe social distancing. We truly hope most of you will attend in person, as sharing the journey in the company of others is priceless. However, if you prefer, you can still participate virtually by watching Mass online and participating in our Wednesday evening events remotely. First and foremost, we want you and your loved ones to be safe and healthy.**

**A quick reminder to also mark your calendars for our next "Adventures in Grace: a pilgrimage" rest stop on January 26th, via Zoom, 7-8:30PM. It's an opportunity for reflection and for shaping your individual path along our journey.**

**January 19** – "Love"

**January 26** – "Spiritual Gifts and the Church"

**February 2** – "Individual 'gift' inventory – What is my gift?"

**February 9** – "Fruit of the Spirit"

The Adult Faith Community... supports the mission of lifelong learning by providing educational, spiritual, and formational activities for the parish and the community.

All sessions begin at 9:45 am and will conclude by 11:15 am and the fee will be \$15. You may attend a live presentation at Holy Family or you have the option to view the session on Zoom.

## A little story about a sacramental in Mary Whiteside's life *(along with this reminder to bring your own sacramental to the Pilgrimage this Wednesday night)*

When I was about 5 years old, my grandfather died and my grandmother, who was afflicted with polio at a young age, came to live with us. Since she was unable to walk for most of the 11 years she lived with us, my mother gave her this bell so if she ever needed anything she could just ring it and one of us would come. During this time, whenever the bell would ring one of us would go to her to empty her bedpan, clean her dentures, mix her medication with a little grape jelly on a spoon so she could get it down, or make her favorite breakfast, which was a cheese omelet. By the time I was 8 I could make a pretty good one.

This bell became the music that said "I need you" but at times it was also a call to just "be" with my grandmother. She would ring the bell and when I would go into her room she would ask if I wanted to watch baseball with her (she was an avid Sox fan) or sometimes she would pass me a few extra dollars for the school fun fair. Sometimes she just wanted to chat or have a little Fannie Mae candy together.

In the years that followed my mother became the bell ringer as she lived with us when she was ill, and my children saw the love that followed that beautiful music. Just recently, my sister moved in with us while she recovered from emergency surgery and the first thing I did was hand her that bell to ring when she needed someone.

This bell will always be right beside my bed as a reminder of the love the women of my family shared, and the sound it makes brings me right back to the warmth of my grandmother and mother. It comforts me to hear that beautiful sound of love.

## Welcoming A New Year

A new year stands on my doorstep ready to enter my life's journey.

Something in me welcomes this visitor: the hope of bountiful blessings, the joy of a new beginning, the freshness of unclaimed surprises

Something in me rebuffs this visitor; the swiftness of the coming, the boldness of the entrance, the challenge of a year's good-bye.

Something in me fears this visitor: the unnamed events of future days, the wisdom needed to walk love well, the demands of giving away and growing.

A new year stands on my doorstep.

With fragile caution I move to open the door for its entrance.

My heart leaps with surprise, joy jumps in my eyes, for there beside this brand-new year stands my God with outstretched hand!

He smiles and gently asks of me: Can we walk this year together?

And I, so overwhelmed with goodness,

Can barely whisper my reply:

Welcome in!

## Holy Family's Statement Against the Sin of Racism

Individual and systemic racism, in our past and currently, is a sin. It is antithetical to the founding principles of our nation's Democracy, the vision of equality in which our God created us and the Gospel values of Jesus Christ. Sin is reconciled by truly acknowledging it, being as sincere as possible in asking for, and trusting in, God's forgiveness and genuinely committing to change through action.

WE here at Holy Family Catholic Community will carry out our commitment to reconciling racist sin by fully living out the seven principles of Catholic Social Teaching and will carry out that commitment through education, formation, discussion and engagement.
