COVID-19 Guidelines

The COVID19 pandemic has changed life as we know it during the past two years. In recent months public health guidelines have changed frequently; they will continue to change.

To facilitate the safety of Summer Suppers guests, as well as volunteers and members of the host congregations, each church will determine how to implement current guidelines in its facilities. Most will only offer meals using a drive-thru model, others will host supper around a table—either indoors or outdoors at picnic tables.

However dinner is offered, please follow the guidance of your host. If supper is offered by drive thru, please take the meal and leave; do not loiter; do not eat on the church property. If you are invited into a church for supper or eat outside, please follow the hosts' directions regarding masks, seating separation and dinner service. We appreciate your help keeping everyone safe.
